ASSIGNMENT AND AGREEMENT

For value received, I, **Louis FOURNIER**, of 893 rue des Augustines, **Chicoutimi**, in **Quebec, CANADA**, G7H8E2, hereby sell, assign and transfer to **William H. BOLLMAN**, of 4907 Flint Drive, Bethesda, Maryland 20816, and his successors, assigns and legal representatives, **twenty percent (20%)** of the entire right, title and interest, for the United States of America, in and to certain inventions related to **FLEXIBLE ERGONOMIC SPORTSBOARD WEDGES** first described in U.S. Pat. Appl. No. 12/289,175, filed on October 22, 2008, and any/all US patent applications claiming priority therefrom, all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to **William H. Bollman twenty percent (20%)** of the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of William H. Bollman to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued jointly to Louis Fournier and William H. Bollman in the United States and in all countries foreign to the United States, or to such nominees as Louis Fournier or William H. Bollman may designate.

I agree that, when requested, I shall, without charge to William H. Bollman but at his expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

Louis Fournier
