**ASSIGNMENT**

WHEREAS, ROBERT D. LOWTHER (hereinafter referred to as "assignor") depose and say that I am a citizen of the United States of America and an individual residing at 2003 Michigan Avenue NE, St. Petersburg, Florida 33703 and that I have invented certain new and useful improvements in a removable reflective hard hat brim guard for which I have filed a provisional patent application filed on January 13, 2012 with an Application Number 61/631,884; entitled REMOVABLE REFLECTIVE HARD HAT BRIM GUARD; and

WHEREAS, BRIMGUARD LLC (hereinafter referred to as "Assignee"), a limited liability company organized and existing under the laws of the State of Florida, having a principal place of business at 2003 Michigan Avenue NE, St. Petersburg, Florida 33703, is desirous of acquiring my entire right, title, and interest in and to the said invention, and in and to the said application and any Letters Patent that may issue thereon;

NOW THEREFORE, for and in consideration of five dollars (\$5.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell and assign to the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and in and to the said provisional application, any patent application(s) based on said provisional application, any PCT application(s) based on said provisional application and all patents which may be granted therefore, and all divisions, reissues, substitutions, continuations, and extensions thereof; and Assignor hereby authorizes and requests the Commissioner of Patents to issue all patents for said invention, or patents resulting therefrom insofar as his interest is concerned, to the said Assignee of his entire right, title, and interest;

Assignor also hereby sells and assigns to Assignee's successors and assigns, his foreign rights to the invention disclosed in said provisional application, in all patent granting countries of the world, including the right to file applications and obtain patents for said invention in Assignee's own name in said countries and including all rights of priority in said countries under the terms of the International Convention for the Protection of Industrial Property, and Assignor further agrees to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights;

Assignor hereby further agrees that he will communicate to said Assignee or to its successors, assigns, and legal representatives, any facts known to her or him respecting any

improvements, and at the expense of said Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I have set my hand and seal this 25<sup>th</sup> day of January, 2012.

A handwritten signature in cursive script, appearing to read "R D Lowther", is written over a horizontal line.
