PATENT RIGHTS ASSIGNMENT AGREEMENT

THIS PATENT RIGHTS ASSIGNMENT AGREEMENT (the "Agreement"), is made as of this 24th day of September, 2012, by and between Infoscitex Corporation, a corporation organized and existing under the laws of the State of Delaware and having a place of business at 300 Bear Hill Road, Waltham, Massachusetts 02451 (the "Assignor"), and Vivonics, Inc., a corporation organized and existing under the laws of the State of Delaware and having a place of business at 303 Bear Hill Road, Waltham, Massachusetts 02451 (the "Assignee").

WHEREAS, Assignor and Assignee, are parties to that certain Asset Purchase Agreement (the "Purchase Agreement"), pursuant to which, among other things, Assignor has agreed to assign to Assignee and Assignee has agreed to assume, effective as of the Closing, the Assigned Assets and the Assumed Liabilities. Capitalized terms used in this Agreement but not defined herein shall have the meanings given to them in the Purchase Agreement.

WHEREAS, Assignor has acquired certain Intellectual Property, which includes the subject matter disclosed in certain patent applications and/or granted Letters Patent as indicated in Exhibit A attached hereto (such patent applications and/or granted Letters Patent hereinafter referred to as the "Patent Rights"); and

WHEREAS, Assignee desires to acquire Assignor's entire interest in the Patent Rights in accordance with agreements duly entered into with Assignor.

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred and by these presents does hereby sell, assign and transfer unto said Assignee, its successors, assigns and legal representatives, its entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to said Patent Rights, together with its entire right, title and interest in and to said Patent Rights and foreign counterparts and such Letters Patent issued or as may issue in whole or in part thereon, and any reissue and continuing applications and foreign counterpart applications thereof as well as any Letters Patent issued or issuing in whole or in part thereon, and including the right to claim priority under any applicable statute, treaty or convention based on said Patent Rights; said Patent Rights to be held and enjoyed by said Assignee for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by Assignor had this assignment not been made; Assignor hereby conveys all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any applications for Letters Patent containing said Patent Rights, all choses in action pertaining to the applications or Letters Patent including the right to sue for and collect damages and other recoveries for past infringement thereof, all rights to initiate proceedings before government and administrative bodies, and all files, records and other materials arising from the prosecution, exploitation, or defense of rights and registrations pertaining to the applications or Letters Patent. Assignor hereby acknowledges that this assignment, being of its entire right, title and interest in and to said Patent Rights, carries with it the right in Assignee to apply for and obtain from competent authorities in all countries of
