**ASSIGNMENT**

WHEREAS, the undersigned, hereinafter referred to as Assignor is owner of US Patent No. 8,193,764 titled:

WIRELESS CHARGING OF ELECTRONIC DEVICES hereinafter "Patent"; and

WHEREAS, Daniel Benjamin Jakubowski of 36098 Hees St., Livonia, MI 48150, hereinafter referred to as Assignee, is the inventor of the invention claimed in the Patent and is desirous of acquiring all right, title, and interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy whereof is hereby acknowledged, Assignor hereby agrees to assign, and hereby do, sell, assign and transfer unto Assignee and its successors in interest, our full and right, title and interest in the United States of America and throughout the world, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the inventions as described in the aforesaid Patent, and all divisions, continuations, continuations-in-part, or other applications claiming priority directly or indirectly from the aforesaid Patent, and any United States or foreign Letters Patent, utility model, or other similar rights which may be granted thereon, including reissues, reexaminations and extensions thereof, subject matter disclosed therein, these rights, title and interest to be held and enjoyed by Assignee to the full end of the term for which the Patent, utility model, or other similar rights, are granted and any extensions thereof as fully and entirely as the same would have been held by Assignors had this assignment and sale not been made, and the right to sue for, and recover for past infringements of, or liabilities for, any of the rights relating to any of the applications, patents, utility models, or other similar rights, resulting therefrom.

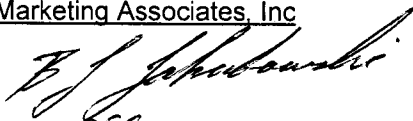

Assignor hereby covenant and agree to execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent, utility model, or other similar rights in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, any derivation proceedings relating thereto, and as to Patent any supplemental examination, derivation proceeding, opposition, post grant review, reissue, re-examination, inter parties review, or extension thereof, and for litigation regarding, or for the purpose of protecting title and to the said invention and said Patent, and to testify in support thereof, for the benefit of Assignee without further or other compensation than that above set forth.

Assignor hereby covenants that no assignment, sale, license, agreement or encumbrance has been or will be entered into which would conflict with this Assignment.
