PARTIAL PATENT ASSIGNMENT AGREEMENT

This PARTIAL PATENT ASSIGNMENT AGREEMENT (this "Assignment"), dated as of December 31, 2012, (the "Effective Date"), is made by Relocations Systems, Inc. d/b/a RSI Crating & Packaging, a Texas corporation (the "Assignor" or the "Corporation"), in favor of Margaret Parks (the "Assignee").

WHEREAS, the Assignor and the Assignee have entered into that certain REDEMPTION AGREEMENT dated as of December 31, 2012, (the "Redemption Agreement"), among the Assignor, the Assignee, and other parties signatory thereto, pursuant to which Assignor has agreed to assign to the Assignee a partial interest of Assignor's right, title and interest in, to and under a certain asset of the Corporation in accordance with the terms and provisions of the Redemption Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignment. In consideration of moneys paid and the rights and benefits received by Assignor directly or indirectly from the Redemption Agreement, Assignor hereby assigns, transfers, sells, and conveys to Assignee, a fifty percent (50%) interest of Assignor's right, title and interest throughout the world in and to the patent identified on Schedule A hereto and the following rights and privileges pertaining to the subject matter thereof, including, without limitation, all causes of action, claims, demands presently or hereafter accruing with respect to the same, including the right to sue or bring other actions for past, present and future infringement thereof anywhere in the world (collectively, the "Intangible Rights").

2. Further Assurances. Assignor further agrees that Assignor will: (i) execute, verify, acknowledge and deliver all such further papers, including applications and instruments of transfer; and (ii) perform such other acts as Assignee lawfully may request, to facilitate Assignee's right to obtain, protect, maintain, defend or enforce any of the Intangible Rights granted hereunder, at Assignee's expense. In the event that Assignee is unable for any reason whatsoever to secure Assignor's signature to any document when so required to effectuate fully this Assignment, Assignor hereby irrevocably designates and appoints Assignee and Assignee's duly authorized officers and agents, as Assignor's agents and attorneys-in-fact to act for and on its behalf and instead of it, to execute and file any such document and to do all other lawfully permitted acts to further the purposes of the foregoing, with the same legal force and effect as if executed by Assignor.

3. General. The failure of a party to require performance by another party of any provision hereof shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by either party of a breach of any provision hereof be taken or held to be a waiver of the provision itself. If any provision of this Agreement or the assignment of any Right is held to be illegal or determined to be invalid or unenforceable, such provision or assignment shall be limited or eliminated to the minimum extent necessary so that the remainder of this Agreement will continue in full force and effect and enforceable.

4. Governing Law. This Agreement shall be interpreted and controlled by and construed and enforced according to the laws of the State of Texas without regard to conflicts of laws provisions thereof.

5. Execution in Counterparts. This Agreement may be executed in multiple counterparts, each of which will be considered an original, but all of which together will constitute one and the same instrument.
