ASSIGNMENT

This Assignment, made by Michael E. Landry of Austin, Texas; Assignor, to Moximed, Inc., a California corporation, Assignee, having a place of business at 26460 Corporate Avenue, Suite 100, Hayward, California 94545.

WHEREAS, Assignors has invented a new and useful SURGICAL METHODS AND INSTRUMENTS FOR IMPLANTING A JOINT UNLOADING SYSTEM, for which an application for United States Letters Patent was filed on August 1, 2012 with U.S. Application Serial No. 13/564,095, and

WHEREAS, Assignor believes himself to be the original, first and joint inventors of the invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in and to said invention, said application, and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written herein below.
