## ASSIGNMENT

WHEREAS, I, Guylyn Schaible, a citizen of the United States, residing at 9033 Harrison Ave., Cleves, OH 45002 USA (herein referred to as the "Assignor") have invented a **Motorcycle Neck** for which I have filed a United States Design Patent Application, USSN 29/395,504 on 02/02/2012; and,

Whereas, JYC Customs, LLC., a limited liability company duly organized and existing under the laws of the State of Ohio, USA, having a place of business at 9033 Harrison Ave., Cleves, OH 45002 USA (hereinafter referred to as "Assignee") is desirous of acquiring the entire interest therein.

NOW, THEREFORE, in consideration of the sum of one U.S. Dollar and other good and valuable consideration, I, the aforementioned ASSIGNOR, hereby sell, assign and transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under said invention, and said United States Patent Application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon, and all reissues, reexaminations and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs, which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same, the priority rights derived from said United States Application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and designs, which may be granted for some inventions in any country or countries foreign to the United States and all extensions, renewals, reexaminations and reissues thereof.

ASSIGNOR HEREBY authorizes and requests the Commissioner for Patents of the United States, and any Official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

ASSIGNOR HEREBY grants Neal O. Willmann, attorney, the power to insert in this Assignment any further identification or information which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

I, said ASSIGNOR, HEREBY declare and aver that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any document in conflict herewith.

ASSIGNOR HEREBY further promises and agrees to communicate to said ASSIGNEE, its successors, legal representatives and assigns any facts known respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, reexamination and foreign applications, make all rightful oaths, and generally do everything possible to aid said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
