ASSIGNMENT

Serial No: PCT/GB2011/000737

Filed: May 12, 2011

Title: Organic Light-Emitting Polymer and Device

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assign to *Cambridge Display Technology Limited* at Building 2020, Cambourne Business Park, Cambridgeshire CB23 6DW, UNITED KINGDOM and to *Sumitomo Chemical Company Limited*, Floor 18, Sumitomo Twin Buildings, 27-1 Shinkawa 2-chome, Chuo-ku, Tokyo 104-8260, JAPAN (hereinafter "Assignees"), their successors and assigns, the entire right, title, and interest in the invention or improvements of the undersigned disclosed in the above-identified application for letters patent of the United States, and in said application and any and all other applications, both in the United States and in other countries, which the undersigned may file or be named as an inventor, either solely or jointly with others, on said invention or improvements, and in any and all letters patent of the United States and other countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner for Patents to issue said letters patent to said Assignees.

The undersigned warrant themselves to be the owners of the interest herein assigned and to have the right to make this assignment and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned except in favor of Assignees.

For said consideration the undersigned hereby agree, upon the request and at the expense of said Assignees, their successors and assigns, to execute any and all applications on said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any letters patent that may be granted upon any and all of said applications, and any and all applications and other documents for letters patent in other countries on said invention or improvements, that said Assignees, their successors or assigns, may deem necessary or expedient, and for said consideration the undersigned further agree upon the request of said Assignees, their successors or assigns, in the event of any application or letters patent assigned herein becoming involved in Interference or Opposition, to cooperate to the best of the ability of the undersigned with said Assignees, their successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said letters patent, both in the United States and in other countries, and vest all rights therein hereby conveyed in said Assignees, their successors and assigns, whereby said letters patent will be held and enjoyed by said Assignees, their successors and assigns, to the full end of the term for which said letters patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.
