Re: Assignment Document For Patent Application Number: 29/431/573

I **Mr. Sunday Ezechukwu** is the owner of invention **FOOD BLENDER BLADE**, as described in the U.S. Patent Application signed by me the "assignor" on **09/09/12**, U.S. Patent and Trademark office Patent Application Number: **29/431/573**, filed on **09/09/12**, hereby transfers and convey all rights in and to the Patent Application and any reissues or extensions that may be granted to "assignee" the receiving party **DaySun Products Company, A division of Realsauna Sporting Goods LLC; P O Box 901411 Palmdale, California 93590**.

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor assigns to Assignee 100% of his right, title, and interest in the invention and Patent Application as well as such rights in any divisions, continuations in whole or part or substitute applications to Assignee for the entire term of the issued Patent and any reissues or extensions that may be granted and for the entire terms of patents.

Assignor authorizes the United States Patent and Trademark Office to issue any Patents resulting from the Patent Application to Assignee according to the percentage interest indicated in this assignment. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor further agrees to: (a) cooperate with Assignee in the prosecution of the Application and foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent for the invention in any and all countries.

Conveying party/Assignor's signature

Date: 11/05/2012
