PATENT AND INVENTION ASSIGNMENT

WHEREAS, the undersigned:

Sudhir Railkar, a citizen of the United States of America, residing at 78 Carol Place, Wayne, New Jersey 07470, **Adem Chich**, a citizen of the United States of America, residing at 21 New Lawn Avenue, Kearny, New Jersey 07032 and **Walter Zarate**, a citizen of the United States of America, residing at 258 Haledon Avenue, Prospect Park, New Jersey 07508 (hereinafter referred to as "Assignors") have invented certain inventions and improvements disclosed in an application for Letters Patent entitled **MESH VENT WITH VARYING DENSITY OR INTEGRAL MOISTURE BARRIER**, which application was filed on December 20, 2012 in the United States Patent and Trademark Office, and assigned Application Serial No. 13/721,940 (the "Application"); and

WHEREAS, it is agreed that **Building Materials Investment Corporation**, a Corporation of the State of Delaware, having a place of business at 2600 Singleton Boulevard, Dallas, Texas 75212, is entitled to or is desirous of acquiring all right, title, and interest related to the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Assignors**, by these presence, do sell, assign, and transfer unto **Building Materials Investment Corporation**, the full, exclusive, and entire right, title, and interest: (i) in and to all inventions and improvements disclosed and described in said Application, (ii) in and to said Application, (iii) in and to all divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (iv) in and to all patents of the United States which may be granted on the foregoing and all reissues and extensions thereof, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and **Assignors** do hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a division, continuation, continuation-in-part, or reissue thereof, to **Building Materials Investment Corporation** as Assignee, for its interest and for the sole use and behoof of **Building Materials Investment Corporation** and its assigns and legal representatives; and

For the same consideration, **Assignors**, by these presence do sell, assign and transfer to **Building Materials Investment Corporation** the full, exclusive and entire right, title, and interest in and to any

and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates and designs, (the "Foreign Applications") filed or which are hereafter filed in countries foreign to the United States and describing in whole or in part the said inventions and improvements, in and to any Patents and similar protective rights granted on said Foreign Applications, and in and to the right to file such applications and the right to claim any applicable priority rights arising from or required for said Foreign Applications under the terms of any applicable conventions, treaties, statutes, or regulations; said Foreign Applications to be filed and issued in the name of **Building Materials Investment Corporation** or its respective designees, insofar as permitted by applicable law; and

For the same consideration, Assignors agree to communicate to the said **Building Materials Investment Corporation**, its successors, legal representatives and assigns, any facts known to Assignors respecting said invention, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Building Materials Investment Corporation**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
