ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each undersigned inventor has sold and assigned, and by these presents hereby sells and assigns, unto:

**ELTA SYSTEMS LTD.
100 Yitzchak Hanassi Blvd.
P.O.B. 330
Ashdod, Israel 77102**

(hereinafter ASSIGNEE) all right, title and interest for the United States, territories and possessions, and for all other countries of the world, including but not limited to India and/or Singapore, in and to his invention relating to:

SYSTEM AND METHODS FOR NULL STEERING IN A MULTICARRIER SYSTEM

as set forth in the United States Patent Application filed on December 14, 2012 as Application No. 13/704,319 as a national stage of PCT/IL2011/000468, filed June 13, 2011; and

in and to said United States Patent Application including any and all divisions or continuations thereof and in and to any and all Letters Patent of the United States, which may issue on any such application or for said invention, including any and all reissues or extensions thereof, and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof, to be held and enjoyed by said ASSIGNEE, its successors, legal representatives and assigns to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made.
