Declaration/Assignment

Docket 40013.0175

INTERACTIVE APPLICATION PLATFORM FOR A MOTORIZED TOY ENTITY AND DISPLAY

As a below named invention, the undersigned hereby declares that the above-identified application was made or authorized to be made by me and that this declaration is directed to: the attached application, or United States application or PCT international application number 13/659,179 filed on October 24, 2012.

The undersigned hereby states that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

The undersigned believes that he/she is the original inventor or an original joint inventor of a claimed invention in the application and acknowledge the duty to disclose information that is material to patentability as defined in 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

The undersigned hereby declares that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The undersigned, having made the above invention and in consideration of and in exchange for good and valuable consideration, for which receipt is acknowledged, the undersigned hereby assigns to the Assignee, noted below, including its successors, assigns, heirs, administrators, all of the undersigned's right, title and interest in and to the above-titled invention, any and all patent applications therefore and to any and all patents which may evolve therefrom. The undersigned also assigns all of their right, title and interest in and to said invention in all foreign countries, all applications for Letters Patent in foreign countries on said invention and any Design Patents which may evolve therefrom, including the right to claim International Convention priority. The undersigned further agrees to execute any papers or perform any acts required to establish, vest or protect the Assignee's rights therein or required by Assignee to obtain said patent, without any additional payment therefore, but without any expense to Assignor.
