ASSIGNMENT

WHEREAS, I, Yann Simonneaux, with a mailing address of Garden Flat, 93 Montpellier Terrace, Cheltenham, GL50 1XA, Great Britain have invented certain new and useful improvements in and to the subject matter of:

AIRCRAFT LANDING GEAR INCLUDING FAIRING

described in a United States patent application number 13/509,676 filed on May 14, 2012 which is a National Phase Application Under 35 U.S.C. § 371 based on International Application No. PCT/GB2010/050727 filed April 30, 2010 which claims priority to GB 0921390.1 filed on December 7, 2009;

AND, WHEREAS, **Messier-Dowty Limited**, a company organized under the laws of the United Kingdom, having a place of business located at Cheltenham Road, Gloucester, Gloucestershire GL2 9QH, United Kingdom (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to the improvements and under the application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt of which is hereby acknowledged, I hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, my entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said improvements, said United States application, any applications to which it claims priority, any other United States applications, including provisional, continuing, continuation, continuation-in-part, divisional, renewal, substitute, reexamination and reissue applications, based in whole or in part on said United States application or in whole or in part on said improvements, any foreign applications, including international and regional applications, based in whole or in part on any of the aforesaid United States applications or in whole or in part on said improvements, and in and to any and all letters patent, including extensions thereof, of any country which have been or may be granted on any of the aforesaid applications or on said improvements or any parts thereof;

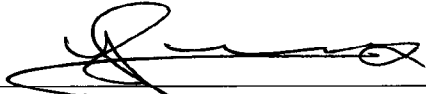

AND I hereby agree for myself and my heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced application or in the preparation or prosecution of any continuing, continuation, continuation-in-part, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in and to said improvements or any parts thereof, and in and to said several patents or any of them;

AND I hereby covenant for myself and my legal representatives, and agree with said ASSIGNEE, its successors and assigns, that I have granted no right or license to make, use, sell or offer to sell said improvements, to anyone except said ASSIGNEE, that prior to the execution of this deed, my right, title and interest in said improvements have not been otherwise encumbered, and that I have not and will not execute any instrument in conflict therewith;

AND I do hereby authorize and request the Director of the United States Patent and Trademark Office to issue any and all letters patent which may be granted upon said United States applications, or upon said improvements or any parts thereof when granted, to said ASSIGNEE.

IN WITNESS WHEREOF, I have hereunto set my hand and seal.
