## EXHIBIT A

WHEREAS, Tissue Growth Technologies Corporation, a State corporation having its registered office located at 5929 Baker Rd #430, Minnetonka, MN 55345, hereinafter referred to as "TGT", is the owner of certain new and useful inventions and improvements for which was filed a patent application for Letters Patent of the United States:

Title of Invention: Bioreactor System For Three-Dimensional Tissue

Stimulator; Application Serial No.: 12/258,048;

Filing Date: October 24, 2008.

WHEREAS, TGT affirmatively states, represents and admits that it has full right to convey the entire right, title and interest herein assigned, and that it has not executed and will not execute any agreements in conflict herewith; and

WHEREAS, ST3 Development Corporation, a State corporation having its registered office located at 11632 Welters Way, Eden Prairie MN 55347, hereinafter referred to as "Assignee" is desirous of acquiring the entire right, title and interest in and to the above-entitled invention, and applications for patent, and to any Letters Patent that may be granted thereon in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, TGT, by these presents, have sold, assigned and transferred, and does hereby sell, assign and transfer unto Assignee the full and exclusive right, title and interest, both legal and equitable, for all countries including the United States, its Territories, and Possessions, in and to the invention and improvements thereof disclosed in the above entitled invention, including all applications for patent, and all Letters Patent, reissues or reexaminations issuing thereon, and any provisional, continuation, continuation in part, or division of said application and any reissue or extension of said Letters Patent, any of which may be granted therefrom in any and all countries; further including any and all applications which have been filed or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign Countries which may be granted therefrom; the same to be held and enjoyed by Assignee for its own sole use and behoof, and for the use and behoof of its successors, assigns, or other legal representatives, to the full end of the term or terms for which said

Letters Patent are granted or reissued as fully and entirely as the same would have been held by TGT had this assignment and sale not been made; together with all claims for damages, with the right to sue for, and collect the same; and TGT does hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

FURTHER, TGT hereby represents, warrants, and covenants that no assignment, license, transfer, conveyance or agreement for any of the foregoing have been made affecting, including or involving any rights or ownership interest in the same; and

FURTHER, TGT agrees to provide any further information within its knowledge, and to execute or have executed any further documents necessary to the prosecution of patent applications on the invention, the prosecution and settlement of interferences, and recording of title to patent applications and patents issuing thereon.

IN WITNESS WHEREOF, an authorized officer of TGT, has executed this Assignment this 7th day of February, 2013.
