## ASSIGNMENT

THIS ASSIGNMENT, by **CEKO HOLDINGS**, a corporation duly organized under and pursuant to the laws of Illinois and having its principal place of business at 212 West Kinzie Street, 4<sup>th</sup> Floor, Chicago, Illinois 60054 (hereinafter referred to as the Assignor), witnesseth:

WHEREAS, said Assignor has ownership of invention for: **TELESCOPING FIBERGLASS UTILITY POLE** set forth in a Letters Patent of the United States bearing Serial No.: US 13/494,539 and filed on June 12, 2012; and

WHEREAS, **TRIDENT INDUSTRIES, LLC** a Delaware company, having its principal place of address at 225 W. Washington, Suite 2226, Chicago, Illinois 60606 (hereinafter referred to as the Assignee) has acquired the entire right, title and interest in and to said Letters Patent of the United States and the application for foreign patent.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, said assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or foreign Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

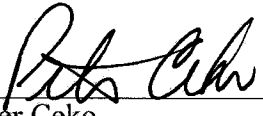

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignor is the sole and lawful owner of the entire right, title and interest in and to said inventions, Letters Patent above-mentioned, and the application for foreign patent; and that the same are unencumbered and that said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignor hereby covenants and agrees to and with said assignee, its successors, legal representatives and assigns, that said assignor will, whenever counsel of said assignee, or the counsel of its successor, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or Letters Patent, and said application for foreign patent or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the

procurement, maintenance, enforcement and defense of Letters Patent and foreign patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use of said assignee, its successors, legal representatives and assigns.
