ASSIGNMENT

We, Craig G. Hysong, Harry B. Flotemersch, Carlos A.Hernandez, and John P. Abrahamian, declare that we have invented the inventions described in a United States Patent Application Serial 13/803,590, entitled CONFLICT DETECTION WITH FUNCTION MODELS, filed on March 14, 2013, in the United States Patent and Trademark Office, identified as Stoel Rives LLP Docket No. 22723/121.

The Assignee, Red X Holdings LLC, a company organized under the laws of the state of Nevada, having a principal place of business at 715 Seafarers Way, Anacortes, Washington 98221, desires to secure the entire right, title and interest therein.

For good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, WE HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said inventions in the patent applications, the patent applications, and in all patent applications claiming the benefit of or priority thereto, and in all divisions, continuations, and continuations-in-part of said non-provisional applications, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

We hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue any and all patents on said invention to the Assignee as the owner of the

We hereby agree, without further consideration and without expense to us, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon our heirs and legal representatives.
