ASSIGNMENT

WHEREAS WE, Carl Freeland of Mountain View, California, USA; Jacob Scott of Mountain View, California, USA; Eric Sadur of San Francisco, California, USA; Timothy Ronan of London, United Kingdom; Michael Kross of Palo Alto, California, USA; and Huey Kwik of San Francisco, California, USA; have made a certain new and useful invention for which an application for United States Letters Patent has been filed on March 15, 2013, under Application No. 13/839,026, and entitled USE OF TEAMS IN A MOBILE APPLICATION;

AND WHEREAS, Palantir Technologies, Inc., a corporation of the State of California and having an address of 100 Hamilton Avenue, Suite 300, Palo Alto, California 94301, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, We do hereby sell, assign, transfer and set over unto Palantir Technologies, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, We hereby agree with the said assignee that We will not execute any writing or do any act whatsoever conflicting with these presents, and that We will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

**ASSIGNMENT**

Attorney Docket No. 60152-0113

AND We request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Palantir Technologies, Inc., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
