**DECLARATION AND ASSIGNMENT
FOR UTILITY AND DESIGN APPLICATIONS**

As a below-named inventor, I hereby declare that:

This declaration is directed to:

☒ the application attached hereto.

If the application is not attached hereto, the application is as identified by the docket number as set forth above and/or the following:

☐ United States Application Number <APP NO>, filed on <DATE>.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

WHEREAS, Otter Products, LLC of 209 South Meldrum Street, Fort Collins, Colorado, 80521, its heirs, successors, legal representatives, and assigns (the Assignee) is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Letters Patent(s) that may be granted therefor in the United States of America and in any foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I sell, assign, and transfer and by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to said invention in the United States of America, its territories, dependencies and possessions and the entire right, title and interest in and to any and all Letters Patent(s) which may be granted therefor in the United States of America, its territories, dependencies, and possessions, and in any and all foreign countries; and to any and all divisions, reissues, continuations, conversions, and extensions thereof for the full term or terms for which the same may be granted. I agree to execute all papers necessary in connection with this application and any continuing, divisional, conversion, or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

I agree to execute all papers necessary in connection with any interference which may be declared concerning this application or continuation, division, conversion, or reissue thereof or Letters Patent(s) or reissue patent(s) issued thereon and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such interference.

DECLARATION AND ASSIGNMENT
FOR UTILITY AND DESIGN APPLICATIONS

I agree to execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

I agree to perform all affirmative acts which may be necessary to obtain a grant of (a) valid United States of America patent(s) or a grant of (a) valid United States of America and any foreign patent(s) to the Assignee and to vest all rights therein hereby conveyed to said Assignee as fully and entirely as the same would have been held by me if this Assignment had not been made.

I authorize and request the United States Patent and Trademark Office and/or patent authorities in any foreign countries to issue any and all Letters Patent(s) resulting from said application or any continuing, divisional, conversion, or reissue application(s) thereof to said Assignee, as assignee of the entire interest, and hereby covenant that I have the full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

I grant Assignee the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office and/or any patent authority in any foreign countries for recordation of this document.

In witness whereof, executed by the undersigned on the date opposite the undersigned name.
