ASSIGNMENT

1. ASSIGNMENT.

Isaac Kubryk ("Assignor") does hereby sell, assign, transfer and deliver to Global Allies, LLC, a California limited liability company ("Assignee"), 18251 Highway 88, Lockeford, CA 95237, its successors and assigns, all right, title and interest in the United States and throughout the world in, to and under the patents and patent applications set forth on Schedule A attached hereto, together with any and all improvements and inventions disclosed therein, and all other patents, patent applications, patent rights, inventor's certificates, and the legal equivalent in any foreign country, including, without limitation, any application for patent in the United States or any foreign country, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all rights to claim and sue for past infringement thereunder, all rights to file patent applications on any such inventions or improvements in such states or nations as Assignee may choose, all patents which may be granted on any such improvements or inventions by states or nations other than the United States, or by any other authority, entity or organization, and all applications therefore.

2. FURTHER ASSURANCES.

Assignor hereby covenants and agrees, for itself and its successors and assigns, that at Assignee's request any and all applications, affidavits, assignments and other instruments will be made, executed, and delivered as may be necessary or desirable to secure for and vest in Assignee, its successors and assigns, any improvements, inventions, right, title, interest, application, patent, patent right or any other right or property covered by this Assignment.

3. COOPERATION.

Assignor agrees that Assignee will, upon request, be promptly provided with all pertinent facts and documents relating to said inventions, patents, patent applications and equivalents as may be known or accessible to Assignor, and that Assignor will, at Assignee's expense, cooperate and testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee, its assigns or its legal representatives, without further additional consideration, any and all papers, instruments or affidavits required, render all necessary assistance, and do such additional acts as Assignee may deem necessary and advisable to apply for, obtain, maintain, issue and enforce said inventions, applications, patents and equivalents thereof which may be deemed necessary or desirable by Assignee to carry out the purposes thereof.
