ASSIGNMENT

For good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, I

David W. Russell of Winter Garden, Florida, USA

hereby sell, assign and transfer to MOBEAM INC. (hereinafter "Assignee"), a Delaware corporation, having a place of business at 625 2nd St. FL 2, San Francisco, California 94107, its successors, assigns and nominees, our entire right, title and interest throughout the world in the invention(s) described in the patent application:

**DISPLAY SCREEN ASSEMBLY
which names inventors John Osborne and David W. Russell
and which was filed on March 15, 2013 and assigned Serial No. 13/838,076;**

and in all patent applications and patents of every country for such invention(s), including provisionals, nonprovisionals, originals, conversions to 35 USC § 111(a) or substitute thereof, divisions, continuing applications including divisions, continuations and continuations-in-part, reissues, reexaminations, substitutes, renewals, and extensions thereof, and all rights of priority and claims to earlier filing date benefits resulting from the filing of such applications. I authorize Assignee to apply for patents of foreign countries for the invention(s), and to claim all rights of priority without further authorization from me. I agree to execute all papers and all other instruments and writings useful in connection with the United States and foreign patent applications and patents, including further application papers, affidavits, declarations, verified statements, oaths, assignments and other documents, and generally to do everything possible, including testifying in legal proceedings, to aid Assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for the invention(s) in all countries. I hereby authorize and request any and all issuing authorities, including the Commissioner for Patents of the United States, to issue any and all United States and foreign patents granted for the invention(s) to Assignee and its successors, assigns and nominees. I warrant and covenant that no assignment, sale, grant, mortgage, license, agreement or encumbrance affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by me.

Assignor hereby authorizes Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the application number and filing date of the Patent Application once known.

EXECUTED THIS 25 DAY OF MARCH, 2013.
