ASSIGNMENT

Whereas I, Jye Liang Pan, have invented certain new and useful improvements in fans (hereinafter the "Invention") described in a U.S. Design Patent Application entitled "Fan Grill", which was filed on 10-02-2012 as Application No.29/433,642;

And, whereas I desire to assign a 100% interest in said Invention, said application disclosing the Invention and any patent which may be granted therefore equally in 50% shares to both Massey Company, Ltd, having its place of business at Rm 601, Huifong Bldg, 25 Chung Shan N Rd., Sec. 3, Taipei, Taiwan, and Dong Guan Chung Yuan Electric Company, Ltd, having its place of business at Zhu Shan Industrial Zone, Da Lang Town, Dong Guan, Guang Dong, China, (both companies together referred to herein as the "Assignee"), and whereas Assignee is desirous of acquiring the entire right, title and interest in the same;

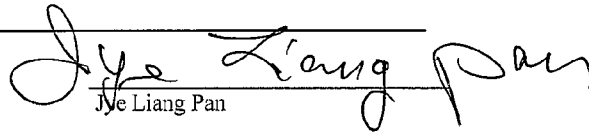

Now, this indenture witnesseth, for the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, I hereby assign, sell and transfer a 100% undivided interest in said Invention, said application, including any divisions, continuations, and continuations-in-part thereof, and in and to any patents of the United States, and countries foreign thereto, which may be granted for said Invention, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And I hereby authorize and request the Director of the United States Patent and Trademark Office to issue said United States patent to said Assignee, as assignees of the whole right, title and interest thereto;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to us in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and patents of the United States and countries foreign thereto;

And I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any patents that may be granted for our aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.

Executed this 26th day of March, in the year 2013
at Taipei Taiwan

Jye Liang Pan

Before me personally appeared Jye Liang Pan, who acknowledged the foregoing instrument to be a free act and deed and also represented that he or she is authorized to execute the same.
