(Check one)

US Patent Application No. 13/842,100 filed March 15, 2013, and US
Provisional Application No. 61/639803, filed April 27, 2012 and US Provisional Application
No. 61/653696 filed May 31, 2012, upon which this application claims benefit under 35
U.S.C. §119(e).

- filed on: _____ as US patent Application No: _____
 which is the US National Stage of _____ having
an international filing date of _____.

AND, WHEREAS United States Gypsum Company a corporation
having a place of business located at 550 West Adams Street, Chicago, IL 60661-3676
(hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to the Invention including
all patents and patent applications thereto;

NOW, THEREFORE, in view of good and valuable consideration, the receipt and
sufficiency of which are hereby acknowledged, we do hereby sell, assign and transfer unto
said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and
interest in and throughout the United States of America (including its territories and
dependencies) and all countries foreign thereto in and to said Invention including said United
States patent application(s), any other United States patent application(s), including
provisional, divisional, renewal, substitute, continuation, reexamination and reissue
applications, based in whole or in part on said United States patent application or in whole or
in part on said Invention, any foreign applications, including international and regional
applications, based in whole or in part on any of the aforesaid United States applications or in
whole or in part on said Invention, in and to any and all letters patent, including extensions
thereof, of any country which have been or may be granted on any of the aforesaid
applications or on said Invention or any part(s) thereof, and in and to any right to claim
priority to any of the aforesaid patents and/or patent applications;

AND WE hereby authorize and request our agents, Novak, Druce Connolly Bove +
Quigg LLP, whose address is 1875 Eye Street, N.W., Eleventh Floor, Washington, D.C.
20006, to insert hereon any identification necessary or desirable for recordation of this
document, including the filing date and application number of said application when known.

AND WE hereby agree for ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced application or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in and to said Invention or any part(s) thereof, and in and to said several patents or any of them;

AND WE hereby covenant for ourselves and our legal representatives, and agree with said ASSIGNEE, its successors and assigns, that we have granted no right or license to make, use, sell or offer to sell said Invention, to anyone except said ASSIGNEE, that prior to the execution of this deed, our right, title and interest in said Invention had not been otherwise encumbered, and that we have not and will not execute any instrument in conflict therewith;

AND WE do hereby authorize and request the United States Commissioner for Patents to issue any and all letters patent which may be granted upon said United States applications, or upon said Invention or any part(s) thereof when granted, to said ASSIGNEE.

IN WITNESS WHEREOF, WE have hereunto set our hands and seals.
