ASSIGNMENT OF PATENT RIGHTS

For good and valuable consideration, including \$10.00 submitted herewith, the value and receipt of which overall consideration is hereby acknowledged, I, Ann Sullivan, a U.S. citizen residing at 1987A Gary Court, Schaumburg, Illinois, 60193 (hereinafter "Assignor"), hereby sell and assign to Helping Hand Products, Inc., 1987A Gary Court, Schaumburg, Illinois, 60193 (hereinafter "Assignee"), its successors, assigns, nominees, or other legal representatives; the entirety of whatever right, title, and interest Assignor may have, in the PERSONAL HYGIENE DEVICE invention(s) exemplified in attachment A hereto, (hereinafter "the Invention"), as a result of Assignor's participation in the development of a commercial embodiment thereof.

Together with Assignor's assignment of all said right, title, and interest Assignor may have in the Invention, is the assignment of any and all U.S. and foreign patent applications, and any and all original and reissued patents granted therefor, including any and all divisions, continuations and reissues thereof, including the subject-matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain letters patents, design patents and utility model registrations, which may be granted thereon in the U.S. and such foreign countries.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and the officials of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said letters patents, design patents or utility model registrations to said Assignee, its successors, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned. To the extent that Assignor's name may need to be identified in association with any patent application that may be filed thereon, anywhere in the world, Assignor agrees, without any further consideration, to execute any and all such applications therefor.

I covenant that I have not executed and will not execute any agreement in conflict herewith and agree that I will communicate to said Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to me respecting the Invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all original as well as all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for said applications or the procuring of patents thereof, and that if and when said Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto; I will, upon request, sign all lawful papers requisite for the filing of such disclaimer. I further covenant and agree that I will, at any time, upon Assignee's request, do everything legally possible to aid said Assignee, its successors, assigns, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper utility, and/or design patent protection and Utility or Model Registrations for the Invention in all countries, all without further consideration, but at the expense of said Assignee, its successors, assigns, nominees, or other legal representatives.

Assignor hereby grants to the law offices of GREENBERG TRAURIG, LLP of Chicago, Illinois, the authority and power to insert on this instrument any further identification which may be necessary or desirable for purposes of its recordation in the United States Patent Office or the Patent Office of any foreign country.

ASSIGNMENT OF PATENT RIGHTS

For good and valuable consideration, including \$10.00 submitted herewith, the value and receipt of which overall consideration is hereby acknowledged, I, Steven Ward, a U.S. citizen residing at 5731 Wildspring Drive, Lake in the Hills, Illinois, 60156 (hereinafter "Assignor"), hereby sell and assign to Helping Hand Products, Inc., 1987A Gary Court, Schaumburg, Illinois, 60193 (hereinafter "Assignee"), its successors, assigns, nominees, or other legal representatives; the entirety of whatever right, title, and interest Assignor may have, in the PERSONAL HYGIENE DEVICE invention(s) exemplified in attachment A hereto, (hereinafter "the Invention"), as a result of Assignor's participation in the development of a commercial embodiment thereof.

Together with Assignor's assignment of all said right, title, and interest Assignor may have in the Invention, is the assignment of any and all U.S. and foreign patent applications, and any and all original and reissued patents granted therefor, including any and all divisions, continuations and reissues thereof, including the subject-matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain letters patents, design patents and utility model registrations, which may be granted thereon in the U.S. and such foreign countries.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and the officials of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said letters patents, design patents or utility model registrations to said Assignee, its successors, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned. To the extent that Assignor's name may need to be identified in association with any patent application that may be filed thereon, anywhere in the world, Assignor agrees, without any further consideration, to execute any and all such applications therefor.

I covenant that I have not executed and will not execute any agreement in conflict herewith and agree that I will communicate to said Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to me respecting the Invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all original as well as all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for said applications or the procuring of patents thereof, and that if and when said Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto; I will, upon request, sign all lawful papers requisite for the filing of such disclaimer. I further covenant and agree that I will, at any time, upon Assignee's request, do everything legally possible to aid said Assignee, its successors, assignees, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper utility, and/or design patent protection and Utility or Model Registrations for the Invention in all countries, all without further consideration, but at the expense of said Assignee, its successors, assigns, nominees, or other legal representatives.

Assignor hereby grants to the law offices of GREENBERG TRAURIG, LLP of Chicago, Illinois, the authority and power to insert on this instrument any further identification which may be necessary or desirable for purposes of its recordation in the United States Patent Office or the Patent Office of any foreign country.
