ASSIGNMENT

I. WHEREAS, I, Joseph Riccelli, Residing at 142 Lorie Valley Drive, Pittsburgh, county of Allegheny, Commonwealth of Pennsylvania, , certain new and useful improvements in "Composite Fabric Material", described and claimed, in United States Patent Application filed January 30, 2009, bearing the United States Patent and Trademark Serial number 61/148,919, in United States Patent Application filed February 1, 2010, bearing the United States Patent and Trademark Serial number 12/697,551 and in United States Patent Application filed March 8, 2013, bearing the United States Patent and Trademark Serial number 13/858,185 (herein "said applications");

II. AND, WHEREAS, Innovative Designs Inc. Having a place of business at 124 Cherry Street, Pittsburgh, PA 15223 hereinafter called the "assignee", is desirous of acquiring the entire right, title, and interest in and to said patent application and the inventions and improvements therein disclosed.

III. NOW, THEREFORE, for good and valuable consideration paid to me by said assignee, the receipt of which is hereby acknowledged, I do hereby assign, sell, transfer, and set over unto said assignee the entire right, title and interest in and to said applications and the inventions and improvements therein disclosed for the United States and all foreign countries and all regular applications claiming the benefit of said applications, divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said regular applications claiming the benefit of said applications and said divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this assignment not been made.

IV. I covenant that I am the lawful owners of the said applications, inventions and improvements, that the same are unencumbered except as the undersigned might be otherwise obligated to the assignee, that no license has been granted to make, use, or sell the said inventions or improvements or any of them, and that I have the full right to make this assignment.

V. And for the consideration aforesaid, I agree that I will communicate to said assignee or the representatives thereof any facts known to me respecting said inventions and improvements, and will, upon request, but without expense to me, testify in any legal proceedings, sign all lawful papers, execute all regular, divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests herein assigned.

VI. I, the undersigned hereby assign my entire right, title and interest as set forth in sections I-V above.

This assignment shall be binding upon my heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said assignee.
