ASSIGNMENT

WHEREAS,

Colin Gillan, a citizen of the **United States of America** residing at
5434 Willowbend, Houston, Texas 77096

an ASSIGNOR, is an inventor of the invention described in **DRILLING
SCORECARD**, for which an application for a Patent of the United States was
filed on **February 20, 2009** as **U.S. Application No. 12/390,229**;

WHEREAS, **Canrig Drilling Technology Ltd.** (ASSIGNEE), with its office
at 8223 Willow Place Drive South, Houston Texas 77354, is desirous of obtaining
each inventor's entire right, title, and interest in, to and under said invention, the
said application and corresponding applications worldwide;

NOW, THEREFORE, in exchange for good and valuable consideration to
each inventor, the receipt and sufficiency of which is hereby acknowledged, each
ASSIGNOR has sold, assigned, transferred and set over, and by these presents
does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its
successors, legal representatives and assigns, his or her entire, worldwide right,
title and interest in, to and under the invention, including the above United States
non-provisional application embodying the invention or any other United States
application to which priority is claimed under 35 U.S.C. § 119 and to any
application to which priority is claimed, or claiming priority to the application
noted above, under 35 U.S.C. § 120, including all divisions, continuations, and
continuations-in-part thereof, and all Patents of the United States which may be
granted thereon and all reissues and extensions thereof; and all applications for
industrial property protection, including, without limitation, all applications for
patents, utility models, and designs which may hereafter be filed for said
invention in any country or countries other than the United States, together with
the right to file such applications and the right to claim for the same the priority
rights derived from said United States application under the Patent Laws of the
United States, the International Convention for the Protection of Industrial
Property, or any other international agreement or the domestic laws of the
country in which any such application is filed, as may be applicable; and all forms
of industrial property protection, including, without limitation, patents, utility
models, inventors' certificates and designs which may be granted for the
invention in any country or countries foreign to the United States and all
extensions, renewals and reissues thereof, the same to be held and enjoyed by
the ASSIGNEE, for its own use and behalf and the use and behalf of its
successors, legal representatives, and assigns, to the full end of the term or
terms for which Letters Patent or Patents may be granted as fully and entirely as

the same would have been held and enjoyed by the ASSIGNOR had this sale and assignment not been made;

And each ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument;

And each ASSIGNOR hereby covenants and agrees that he or she has the full right to convey the entire interest herein assigned, and that he or she has not executed, and will not execute, any agreement in conflict herewith;

And each ASSIGNOR hereby further covenants and agrees that he or she will communicate to the ASSIGNEE, its successors, legal representatives and assigns, any facts known to him or her respecting said invention, testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the ASSIGNEE or, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries;

And each ASSIGNOR hereby authorizes the ASSIGNEE's patent attorney to complete this form by the addition of the application number, application filing date, and attorney docket number, if necessary.

In witness whereof, each inventor has affixed his or her signature.

Dated: 11th April, 2013

Colin Gillan
