ASSIGNMENT

WHEREAS, **Randy L. Gard**, (hereinafter Assignor), a resident of Grand Island, Nebraska, is the inventor of a certain new and useful invention relating to a **VEHICLE FIXTURE WITH ALIGNMENT TARGET** for which Assignor has filed an application with the United States Patent and Trademark Office, said application being Application Serial No. 12/264,762 filed on November, 4, 2008;

WHEREAS, Assignor is the inventor of the invention and is contractually obligated to execute this Assignment of his entire right, title, and interest in and to said invention and in and to any and all corresponding patent applications that have been or may be filed and any and all Letters Patent that may be granted therefor, and neither knows nor has reason to know of any claim or potential claim of ownership of the invention by any third party which has not assigned and is not obligated to assign said ownership to Assignee; and

WHEREAS, **Chief Automotive Technologies, Inc.**, a corporation duly organized and existing under the laws of the State of Delaware (hereinafter referred to as Assignee), having its principal office and place of business at 1924 E. 4th Street, Grand Island, Nebraska 68801, is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor; and

NOW, THEREFORE, for and in consideration of other valuable considerations to Assignor paid by said Assignee, receipt of which is hereby acknowledged, Assignor does hereby sell, assign and transfer unto said Assignee, the entire right, title, and interest in and to said invention and in and to any and all Letters Patent, both United States and foreign, that may be granted therefor, together with any and all continuations, divisions, or reissues, and assign and/or promise to assign any continuation-in-part and other applications adding new and related matters, and Assignor does

WA 1169386.1

hereby authorize and request the United States Commissioner of Patents and Trademarks to issue in accordance with this Assignment any and all Letters Patent that may be granted, either on said application or otherwise for said invention.

IN WITNESS WHEREOF, Assignor has hereunto set his hand and seal.
