ASSIGNMENT OF INVENTION

UNIVERSAL

WHEREAS, I, **Stefan PARENT** whose full post office address is 606 Pine, St-Lambert Quebec, Canada J4P 2P5 (hereinafter referred to as the “**Assignor**”), have invented and created an invention entitled “A fusionless vertebral physéal device and method inducing spinal growth modulation” and described in Provisional U.S. patent application number 60/941,511, filed on June 1st, 2007 and US patent application number 12/131,699, filed on June 2nd, 2008.

WHEREAS **CHU SAINTE-JUSTINE, le centre hospitalier universitaire mère-enfant** (hereinafter “**HSJ**”), whose full post office address is 3175 Côte-Sainte-Catherine, Montreal, Quebec, Canada H3T 1C5; (hereinafter referred to as the “**Assignee**”) is desirous of acquiring Assignor’s entire right, title and interest in and to said invention and in and to any and all patents to be obtained therefor;

NOW, THEREFORE, in consideration of One United State Dollar (US\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, I have and by these presents do hereby sell, assign and transfer unto said Assignee, its successors and assigns, the entire right, title and interest in and to said invention, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any applications filed in any foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents, reissues or extensions thereof to be obtained in this or any foreign country upon said invention, and any divisional, continuation, continuation-in-part, substitute application(s) or supplementary disclosure(s) which may be filed upon said invention, in any country; and I hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said Assignee.

I further agree without any payment by said Assignee other than expenses incurred by the undersigned, to communicate to said Assignee, its representatives or agents, any facts relating to said invention, including evidence for interference purposes or for other proceedings, whenever requested; testify in any interference, litigation or other proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon my heirs, legal representatives, administrators and assigns.

Les soussignés désirent que la présente cession d'invention soit rédigée en anglais. The undersigned request that the present Assignment of Invention be drafted in English.

IN WITNESS WHEREOF, each of the parties has signed this Assignment of Invention at the places and on the dates indicated below.
