ASSIGNMENT

THIS ASSIGNMENT, made by me Bajko GABOR, a citizen of HUNGARY, residing at 323 Fairchild Drive, Mountain View, California 95054 USA,

WITNESSETH: That,

WHEREAS, I am an inventor of certain new and useful improvements in **SYSTEM, METHOD, AND APPARATUS FOR DETERMINING A NETWORK INTERFACE PREFERENCE POLICY** for which an international application under the Patent Cooperation Treaty (PCT) will be filed in the Receiving Office of the International Bureau. We hereby authorize and request our attorney, Alston & Bird LLP, to insert here in parentheses (Application No. PCT/IB2010052400) the application number of said application when known; filed on 28 MAY 2010 ;

WHEREAS, NOKIA INC. having a principal place of business at 102 Corporate Park Dr., White Plains, NY 10604 US, hereinafter referred to as assignee, is desirous of acquiring the entire right, title, and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted based upon this international patent application in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim the priority of said application in all foreign countries in accordance with the International

Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not be made.

I hereby request that said Letters Patent be issued in accordance with this assignment.

I further covenant and agree that, at the time of the execution and delivery of these presents, I possess full title to the invention and application above-mentioned, and that I have the unencumbered right and authority to make this assignment.

I further covenant and agree to bind my heirs, legal representatives, and assigns, promptly to communicate to said assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns and other legal representatives.
