Assignment of Patent Application

WHEREAS, I: **JONATHAN A. CLEMENS**, PORT TOWNSEND WA, USA, have invented certain new and useful improvements which are disclosed in the following patent application(s): United States Regular Patent Application **SN 13/415,213**, filed March 8, 2012, entitled **CATENARY CABLE SOLAR PANEL SUSPENSION SYSTEM**, said application filed by the office of Virginia P. Shogren, P.C., 961 W. Oak Court, Sequim, Washington 98382, Reg. No. 45,813; and

WHEREAS, **OLYMPIC ENERGY SYSTEMS, INC.** (hereinafter referred to as "ASSIGNEE"), a corporation of Washington State having a place of business at 907-19th Street, Port Townsend, Washington 98368, is desirous of acquiring the entire right, title and interest in and to said invention, and in and to any Letters Patent(s) that may be granted therefore in the United States and its territorial possessions and in any and all foreign countries;

NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, I by these presents do sell, assign and transfer unto said ASSIGNEE, the full and exclusive right to the said invention(s), including without limitation the above described patent application, in the United States and its territorial possessions, and in any and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent(s) which may be granted therefore in the United States and its territorial possessions, and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuations in part, reexaminations, extensions, substitutions and renewals thereof, and in any provisional applications filed on such invention(s).

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and the Patent Office Officials in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and behalf of said ASSIGNEE, its successors and assigns, to the full end of the term for which said Letters Patent(s) may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will communicate to said ASSIGNEE, or its representatives any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation in part, reexamination, extension, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally do everything possible to aid said ASSIGNEE, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.

Assignment (continued)

Further, I agree that this Assignment shall be effective as of the earliest of the filing date of the first filed patent application listed above or the date of my signature below.
