Recitals:

(A) Assignors **PAVÉ, FIRTH, STEWART, and RIGOREAU** are the joint inventors of the invention or inventions entitled *Therapeutic Triazolo Compounds and Their Use* (hereinafter referred to as "the Priority Invention") for which US Provisional Application No. 60/978,792 and United Kingdom Patent Application No 0719803.9 (hereinafter collectively referred to as "the Priority Applications"), the particulars of which applications are set forth in the Schedule hereto, have been filed.

(B) Assignors **PAVÉ, FIRTH, STEWART, RIGOREAU, and WYNNE** are the joint inventors of the invention or inventions entitled *[1,2,4]Triazolo[1,5-A]Pyridine and [1,2,4]Triazolo[1,5-C]Pyrimidine Compounds and Their Use* (hereinafter referred to as "the PCT Invention") for which International Patent Application No PCT/GB2008/003428 claiming priority benefit of the Priority Applications (hereinafter referred to as "the PCT Application"), the particulars of which application are set forth in the Schedule hereto, has been filed.

(C) The Assignors were at all relevant times employees of the Assignee and by the terms of their employment and the operation of the UK Patents Act 1977 all rights which they would otherwise own in the Priority Invention and the PCT Invention belong to the Assignee.

(D) For the avoidance of doubt and to facilitate the prosecution of patent applications for the Priority Invention and the PCT Invention the Assignors have agreed to execute this assignment of all their respective rights title and interest in to and under the Priority Invention, the PCT Invention, the Priority Applications and the PCT Application to the Assignee for the consideration hereinafter mentioned

**Operative provisions:**

In consideration for the payment of £1.00 and other valuable consideration by the Assignee to the Assignors the receipt and sufficiency of which are hereby acknowledged by the Assignors:

**1** The Assignors and each of them hereby sell and assign to the Assignee, which accepts, absolutely and free from incumbrances, and with effect from before the filing of the PCT Application:

**1.1** all their rights title and interest in all countries of the world in to and under the Priority Invention, the PCT Invention, the Priority Applications and the PCT Application and all national and regional phases thereof and any and all divisionals, continuations and continuations-in-part of any of the aforesaid applications and any and all patents that may be granted pursuant thereto for the full period thereof including any re-issues, re-examinations, renewals, extensions and Supplementary Protection Certificates and including all rights and powers arising or accrued therefrom including the right to sue for damages and other remedies in respect of any infringement of any such rights before on or after the date hereof and to retain any damages obtained as a result of such action;

**1.2** all such rights as they may have to apply for prosecute and obtain patents and other intellectual property protection anywhere in the world in respect of the Priority Invention and the PCT Invention to the intent that the grant of any patents or other intellectual property protection for the Priority Invention and the PCT Invention shall be in the name of and shall vest in the Assignee or its successors or assigns;

**1.3** all such rights as they may have to claim priority from the Priority Applications in any and all applications for patent protection for the Priority Invention, such right to be enjoyed by the Assignee as from the date of filing of the Priority Applications;

to the intent that the Assignee shall have and hold the rights title and interest hereby assigned as fully and entirely as the same would have been held and enjoyed by the Assignors had this assignment not been made.

**2** The Assignors hereby GRANT the firm of Mewburn Ellis LLP the power to insert in the Schedule to this Assignment any further identification of any future patent applications any countries or regions of the world which shall fall within the scope of clause 1 above, as may be necessary or desirable in order to comply with the rules of any Patent Office for recordation of this document. It is understood and agreed that the Assignee's attorneys Mewburn Ellis LLP have represented only the Assignee and will continue to represent only the Assignee with respect to the Priority Invention and the PCT Invention.

## ASSIGNMENT

**3** The Assignors hereby UNDERTAKE that at the request and cost of the Assignee or its successors or assigns they will at all times hereafter promptly do all such acts and execute all such documents (including but not limited to documents required to be signed by or on behalf of inventors in the course of any and all patent applications which relate to the Invention and any and all divisionals, continuations and continuations-in-part of any such applications) as may be reasonably necessary or desirable to secure the vesting in the Assignee or its successors or assigns of all rights title and interest assigned to the Assignee hereunder and to confirm the title of the Assignee or its successors or assigns to all such rights title and interest and to assist in the resolution of any question concerning the Priority Invention or the PCT Invention, or any application for patent or other intellectual property protection for the Priority Invention or the PCT Invention or any intellectual property protection granted pursuant to any such application.

**4** The Assignors hereby request the relevant authorities in all countries of the world to issue any patents granted for the Priority Invention and the PCT Invention in the name of the Assignee or its successors or assigns in accordance with this assignment.

**5** This assignment and undertaking shall be binding upon the heirs, executors, administrators, successors and/or assigns of the Assignors and shall enure to the benefit of any heirs, executors, administrators, successors and/or assigns of the Assignee.

**6** This agreement shall be governed by and interpreted in accordance with the laws of England, and the courts of England shall have exclusive jurisdiction to settle any disputes which may arise in connection with this agreement.
