## PATENT ASSIGNMENT

This Assignment of Patents (this "Assignment") is made as of September 23, 2008 by ChanTest Corporation, a Delaware corporation ("Assignor"), to ChanRx Corp., a Delaware corporation ("Assignee").

### WITNESSETH

WHEREAS, Assignor has filed with the United States Patent and Trademark Office the Letters Patent application set forth on Schedule A hereto (the "Patent Application"), and owns the Letters Patent issued by the United States Patent and Trademark Office set forth on Schedule A hereto (the "Patent"), and collectively with the Patent Application, the "Patent Rights").

WHEREAS, pursuant to an Asset Transfer Agreement dated as of the date hereof (the "Transfer Agreement") by and among Assignee and Assignor, Assignor desires to assign to Assignee all of Assignor's right, title and interest in and to the Patent Rights.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants and agreements contained in the Transfer Agreement and the covenants and agreements in this Assignment and to induce Assignee to consummate the transactions contemplated by the Transfer Agreement, Assignor agrees as follows:

1. Assignor hereby assigns, transfers and delivers to Assignee, its successors and assigns, the entire and exclusive right, title and interest in, to and under the Patent Rights, and all other patent rights that may be based thereon, including all foreign and domestic Letters Patent and applications for Letters Patent, and any continuation, continuation-in-part, divisional, substitute, reissues, re-examinations and extensions thereof, to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors and assigns, to the end of the term or terms for which such Letters Patent may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, together with all claims for damages by reason of past infringement of the Patent Rights, with the right to sue for and collect on such claims for its own use and enjoyment, and for the use and enjoyment of its successors and assigns.

2. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, or other proper governmental authority, whose duty it is to issue patents or other evidence or forms of intellectual property protection or applications as aforesaid, to issue the same to Assignee and its successors, assigns and other legal representatives in accordance with the terms of this instrument.

*[Remainder of page intentionally left blank.]*

IN WITNESS WHEREOF, Assignor has caused this Patent Assignment to be signed by its duly authorized officer effective as of the date first written above.

CHANTEST CORPORATION

By: Arthur Brown  
Name: Arthur M. Brown  
Title: President

BOS111 12296503.1

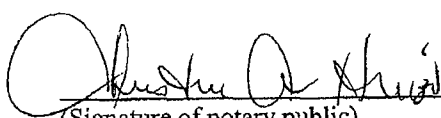

PATENT
