PATENT

ASSIGNMENT

WHEREAS, we, Julie R. Bartholomew, Kristopher Killen, and William Mark Hunter who reside at 889 Suffield, Birmingham, MI 48009; 463 Coldiron, Rochester Hills, MI 48307; and 19781 Middle Brook, Macomb, MI 48044, respectively, have invented an

AUTOMATED CUSTOMIZED COSMETIC DISPENSER

for which we made provisional applications in the United States of America under 35 U.S.C. 111(b), and

WHEREAS, Cosmetic Technologies, L. L. C., a corporation of the State of Michigan, having its principal place of business at 3841 Spanish Oaks Drive, West Bloomfield, Michigan 48323, desires to acquire the entire right, title and interest in and to said invention.

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, we, by these presents do sell, assign, and transfer unto said corporation, its successors and assigns, all right, title and interest in the United States of America and all foreign countries in and to said invention as described in the following provisional patent applications: Serial No. 60/625,923, filed November 8, 2004; Serial No. 60/628,713 filed November 17, 2004; Serial No. 60/635,412 filed December 10, 2004; and Serial No. 60/635,821 filed December 13, 2004 and to any improvements on said invention heretofore or hereafter made while we are in the employ of said corporation, and all Patents, United States and foreign, granted upon any applications based on or claiming priority of said provisional application thereof or for the inventions described therein, and any reexaminations, reissues or extensions of said Patents; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all Patents on said United States applications to said corporation as assignee thereof.

FOR SAID CONSIDERATIONS, we hereby covenant and agree that we are the owners of the full title herein assigned and have the right to assign the same, and agree that we will communicate to said corporation or its representatives, any facts known to us respecting said invention or inventions and testify in any legal proceedings relating thereto when called upon, and, on behalf of ourselves and our legal representatives and successors, will sign all instruments and documents and render such assistance which in the judgment of said corporation is necessary to vest in it and protect the legal title sought to be assigned, including, but not limited to, the execution of a declaration for an application filed under 35 U.S.C. 111(a) based on or claiming priority of said provisional application.

We authorize and empower the assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

We covenant with the assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any incumbrance, and that we have full right to convey the same as herein expressed.
