ASSIGNMENT

Patent No.: 5,843,023
Issue Date: December 1, 1998

WHEREAS I (we), Michael D. Cecchi, a citizen of the United States of America, residing at 339 Bartlett Drive, Madison, CT 06443 have invented certain new and useful improvements in "Aspiration Needle With Side Port" described in U.S. Patent No. 5,843,023, the undersigned, being owner(s) of all right, title, and interest in and to said patent and in and to any invention described therein, free from all prior assignments, agreements, licenses, mortgages, or other encumbrances whatsoever, and having full right to convey the entire interest both legal and equitable herein assigned; and

WHEREAS, Genx International, Inc., having a place of business at 393 Soundview Road, Guilford, CT 06437, a corporation of the State of Connecticut (assignee) desires to obtain the entire right, title and interest in, to and under said invention or inventions, and the said patent therefor:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged by the undersigned, the undersigned does (do) hereby sell, assign, transfer and set over unto said assignee its successors, and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid patent; and in any applications filed in any foreign country based thereon, including the right to file said foreign applications and to claim priority under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country; and the undersigned hereby authorize(s) and request(s) the issuing authority to issue any and all patents on said application or applications to said assignee or its successors and assigns.

The undersigned further agree(s), without any further payment or compensation by said assignee or its successors and assigns, to communicate to said assignee, its representatives or agents or its successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said assignee, its successors or assigns and nominees to obtain and enforce proper patent protection for said invention or inventions in this or any foreign country.

IN TESTIMONY WHEREOF, I (we) have hereunto set our hands and seals on the day and year set opposite my (our) signature(s).
