## ASSIGNMENT

WHEREAS, WE, Paul S. Baxter, a citizen of the United States of America residing at 1701 Old Dover Way, Conyers, Georgia 30094; Raymond D. Fowler , a citizen of the United States of America residing at 778 Brookelynn Trace, Bethlehem, Georgia 30620; John D. Cothran, a citizen of the United States of America residing at 3748 Windy Hill Drive, Conyers, Georgia 30013 and Aubra K. Bunn, a citizen of the Unites States of America residing at 1600 Rosemont Street, Ruston, Louisiana 71270 ("Assignors"), have invented certain new and useful improvements in "POWDERED RESINS WITH FILLERS" for which we filed an application for letters patent of the United States on September 26, 2012, and which was accorded Serial No. 13/627,307 ("Application"); and

WHEREAS, Georgia-Pacific Chemicals LLC, a limited liability company duly organized under the laws of the State of Delaware, having a place of business at 133 Peachtree Street, N.E., Atlanta, Georgia 30303 ("GP"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention, Application, any patent application relating to the aforesaid invention, any patent application claiming the benefit of the filing date of the Application and in and to any letters patent of the United States of America or any foreign country which may be granted thereon or therefor;

NOW, THEREFORE, be it known that for good and valuable consideration, including our employment by GP, the receipt and sufficiency of which is hereby acknowledged, Assignors by these presents do hereby sell, assign, and transfer unto GP, its successors, legal representatives, and assigns the full and exclusive right in and to the invention as described in the Application, and the entire right, title, and interest in and to the Application, any and all patent applications relating to the aforesaid invention, any and all patent applications claiming the benefit of the filing date of the Application, and any and all letters patent which may be granted therefor in the United States of America and its territorial possessions, and in any and all foreign countries, and in and to any and all divisions, continuations, continuations-in-part, reexaminations, reissues, extensions, substitutions and renewals thereof; to the full end of the term for which said letters patent may be granted, the same to be held and enjoyed by GP, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment had not been made;

AND ASSIGNORS HEREBY authorize and request the Commissioner for Patents or any other proper officer or agency of any country whose duty it is to issue patents on applications as described above, to issue all said letters patent to GP, as assignee;

AND ASSIGNORS HEREBY warrant and covenant that we have full right to convey the entire interest herein assigned and that we have not executed and will not execute any instrument or assignment in conflict with this Assignment;

AND ASSIGNORS HEREBY agree to communicate to GP or its representatives any facts known to us respecting said invention and/or Application, to execute all divisional, continuation, continuation-in-part, reexamination, reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said invention and/or Application, and to testify in any judicial or administrative proceeding and generally do everything possible to aid GP to secure full and complete protection for the invention and/or Application or that may be necessary to vest in GP the complete title to the invention and/or Application hereby conveyed and to enable it to record said title and enforce said letters patent in the United States of America or any foreign country when requested so to do by GP.
