PATENT

ASSIGNMENT

WHEREAS, we, Eyal Ben-Chanoch of 11800 SW 77th Avenue, Miami, FL 33156; and Gal Yarden of Nir-Moshe 215, Nir-Moshe, IL 85370 have invented certain new and useful improvements for *Compositions for Controlling Varroa Mites in Bees* for which we executed an application for Letters Patent in the United States identifying us as co-inventors thereof (and identified as US Patent Application No.13/446,557; Thompson Coburn LLP, Docket 54768-103801); and

WHEREAS, Beeologics Inc., a corporation of Delaware having its principal office and place of business at 800 North Lindbergh Blvd, Mail Zone E1NA, St. Louis, MO 63167 is desirous of acquiring the entirety of our entire right, title and interest in and to said invention and improvements as disclosed in said application, in and to said application, and in and to the patent to be obtained thereon.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof to us in hand paid, and other good and valuable consideration, the receipt and adequacy of all of which are hereby acknowledged, we, Eyal Ben-Chanoch and Gal Yarden have sold, assigned and transferred and do hereby sell, assign and transfer unto said Beeologics Inc., and its successors or assigns, the entirety of our entire right, title and interest in and to said invention and improvements as the same are disclosed in said application which was executed by us in and to said application, and in and to any Letters Patent, and applications filed therefor, including provisionals, non-provisionals, divisionals, continuations, reissues, reexaminations and extensions to be obtained therefor in the United States and all foreign countries; including all priority rights and all rights to claim priority and we further agree to cooperate with the assignees hereunder in the obtaining and sustaining of any and all such Letters Patent as the assignees may desire to apply for, but at the expense of said assignees.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said Beeologics Inc., and in accordance with this Assignment.

The undersigned hereby authorizes and requests the attorneys of record in said application(s) to insert in this Assignment the serial number, filing date, and date of execution of said application(s).

For said considerations, the undersigned hereby agrees, upon the request and at the expense of said Assignees, to execute any provisional, non-provisional, divisional, continuation, continuation-in-part

or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignees all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignees, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment has not been made.

And for said consideration, the undersigned hereby assigns to said Assignees an undivided interest in the entirety of the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agrees to execute, at the request of said Assignees, all documents in connection with any application for foreign Letters Patent therefor.

IN WITNESS WHEREOF, I have hereunto set my hand the 4th day of June 2012.
