**PATENT ASSIGNMENT**

WHEREAS, Xerox Corporation, a New York corporation, with offices at 45 Glover Avenue, Norwalk, CT 06856 ("Seller") is the sole and exclusive owner of those certain patents and applications set forth on Attachment 1 hereto (referred to as the "Patents"); and

WHEREAS, Google Inc., a Delaware corporation with a principal place of business at 1600 Amphitheatre Parkway, Mountain View, California 94043 ("Purchaser") is desirous of acquiring the right, title and interest in, to and under the said Patents;

NOW, THEREFORE, for good and valuable consideration the sufficiency of which is acknowledged by the parties:

Seller does hereby irrevocably and perpetually assign, transfer and convey to Purchaser all of Seller's right, title and interest throughout the world in and to the Patents, all of which are to be held and enjoyed by Purchaser for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which said Patents are or may be granted, reissued or extended as fully and entirely as the same would have been held and enjoyed by Seller, if this assignment, transfer and conveyance had not been made; together with all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights under, or on account of, any of the Patents, including, without limitation, all causes of action and other enforcement rights for (i) damages, (ii) injunctive relief, and (iii) any other remedies of any kind for past, current and future infringement, and all rights to collect royalties or other payments under or on account of any of the Patents, all for Purchaser's own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives.

Seller hereby authorizes and requests the Commissioner of Patents and Trademarks, or an equivalent officer in any jurisdiction in which a Patent may have issued, to issue and assign as applicable any and all Letters Patent on said inventions to Purchaser as assignee of the entire interest, and hereby covenants that Seller has full right to convey the entire interest herein assigned, and that, except as otherwise explicitly agreed and acknowledged in writing between the parties, Seller has not executed, and will not execute, any agreements in conflict therewith.
