PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT is made as of July 1, 2011, by Eyenovate, Inc., a Pennsylvania corporation having an address at 1627 Penn Avenue, 4th floor Pittsburgh, PA 15222 (the "Assignor") to Chemistrie Properties, Inc., a Pennsylvania corporation having an address at 1627 Penn Avenue, 4th floor Pittsburgh, PA 15222 (the "Assignee").

RECITALS:

A. The Assignor is the owner of the entire right, title and interest in and to the issued patents and pending patent applications listed on Schedule A attached hereto and all of the inventions and improvements thereof (collectively, the "Patents").

B. The Assignee is desirous of acquiring the entire right, title, and interest in and to the Patents.

NOW, THEREFORE, for good and valuable consideration as set forth in the Promissory Note between the Assignor and the Assignee dated as of July 1, 2011, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, the Assignor hereby assigns, sells, transfers, and sets over unto the Assignee the entire right, title, and interest of the Assignor in and to the Patents disclosed for the United States and all foreign countries and any Patent that may issue therefore in the United States and all foreign countries and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof including all priority rights under the International Convention associated therewith for each country and the Union, to have and to hold the interests herein assigned to the full ends of the terms of the Patents and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, and all other legal protection based thereon or obtainable therefore throughout the world, including without limitation the right to sue and collect for past infringement, to be held and enjoyed by Assignee for its own use and benefit, and for the benefit of its legal representatives, successors and assigns, to the full end of the terms of all of the Patents which may be granted on the inventions as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment not been made.

The Assignor covenants that it is the lawful owner of the Patents, that the same are unencumbered, and that the Assignor has the full right to make this assignment.

The Assignor further covenants that the Assignor will, upon Assignee's request, be provided promptly with all pertinent facts and documents relating to the Patents as may be known and accessible to the Assignor and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to the Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce and to perfect the title to any of the Patents, divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof in the United States and any foreign country that may be necessary or desirable to carry out the purposes thereof.

This Patent Assignment shall be binding upon the successors and assigns of the Assignor and shall inure to the benefit of the successors and assigns of the Assignee.

IN WITNESS WHEREOF, Assignor has caused this Patent Assignment to be executed by its duly authorized officer this 1st day of July, 2011.
