Guidelines for Completing Patents Cover Sheets (PTO-1595)

Cover Sheet information must be submitted with each document to be recorded. If the document to be recorded concerns both patents and trademarks separate patent and trademark cover sheets, including any attached pages for continuing information, must accompany the document. All pages of the cover sheet should be numbered consecutively, for example, if both a patent and trademark cover sheet is used, and information is continued on one additional page for both patents and trademarks, the pages of the cover sheet would be numbered from 1 to 4.

Item 1. Name of Conveying Party(ies).

Enter the full name of the party(ies) conveying the interest. If there is insufficient space, enter a check mark in the "Yes" box to indicate that additional information is attached. The name of the additional conveying party(ies) should be placed on an attached page clearly identified as a continuation of the information Item 1. Enter a check mark in the "No" box, if no information is contained on an attached page. If the document to be recorded is a joint research agreement, enter the name(s) of the party(ies) other than the owner of the patent or patent application as the conveying party(ies).

Item 2. Name and Address of Receiving Party(ies).

Enter the name and full address of the first party receiving the interest. If there is more than one party receiving the interest, enter a check mark in the "Yes" box to indicate that additional information is attached. Enter a check mark in the "No" box, if no information is contained on an attached page. If the document to be recorded is a joint research agreement, enter the name(s) of the patent or patent application owner(s) as the receiving party.

Item 3. Nature of Conveyance/Execution Date(s).

Enter the execution date(s) of the document. It is preferable to use the name of the month, or an abbreviation of that name, in order that confusion over dates is minimized. Place a check mark in the appropriate box describing the nature of the conveying document. If the "Other" box is checked, specify the nature of the conveyance.

Item 4. Application Number(s) or Patent Number(s).

Indicate the application number(s), and/or patent number(s) against which the document is to be recorded. National application numbers must include both the series code and a six-digit number (e.g., 07/123,456), and international application numbers must be complete (e.g., PCT/US91/12345).

Enter a check mark in the appropriate box: "Yes" or "No" if additional numbers appear on attached pages. Be sure to identify numbers included on attached pages as the continuation of Item 4. Also enter a check mark if this Assignment is being filed as an Oath/Declaration (37 CFR 1.63).

Item 5. Name and Address of Party to whom correspondence concerning the document should be mailed.

Enter the name and full address of the party to whom correspondence is to be mailed.

Item 6. Total Applications and Patents involved.

Enter the total number of applications and patents identified for recordation. Be sure to include all applications and patents identified on the cover sheet and on additional pages.

Block 7. Total Fee Enclosed.

Enter the total fee enclosed or authorized to be charged. A fee is required for each application and patent against which the document is recorded.

Item 8. Payment Information.

Enter the deposit account number and authorized user name to authorize charges.

Item 9. Signature.

Enter the name of the person submitting the document. The submitter must sign and date the cover sheet. Enter the total number of pages including the cover sheet, attachments, and document.

This collection of information is required by 35 USC 261 and 262 and 15 USC 1057 and 1060. The information is used by the public to submit (and by the USPTO to process) patent and trademark assignment requests. After the USPTO records the information, the records for patent and trademarks, assignments, and other associated documents can be inspected by the public. To view documents recorded under secrecy orders or documents recorded due to the interest of the federal government, a written authorization must be submitted. This collection is estimated to take 30 minutes to complete, including gathering, preparing, and submitting the form to the USPTO. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Manager of the Assignment Division, USPTO, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Mail Stop Assignment Recordation Services, Director of the USPTO, P.O. Box 1450, Alexandria, VA 22313-1450.

WORLD INVENTION ASSIGNMENT

From: **GEORGE JEHA**
(the "Assignor")

To: **EYE CATCH SIGNS LIMITED**
(the "Assignee")

This assignment is made effective April 30, 2013 (the "Effective Date").

The invention (the "Invention") includes all inventions, improvements, concepts, know-how, techniques, and methods developed by the Assignor on or before the Effective Date, whether reduced to practice or not, related to the production of three dimensional signage.

1. In consideration of One (\$1.00) Dollar, and other good and valuable consideration duly provided by the Assignee to the Assignor, the Assignor hereby irrevocably transfers and assigns to the Assignee, for the Assignee's benefit and the benefit of its successors and assigns, all rights, title and interest everywhere in the world, and in all countries in the world, including but not limited to Canada and the United States, in and to the Invention and to all corresponding rights, title and interest in and to any priority claims, and any patent which may issue for any aspect of the Invention.
2. The patents which have been filed and which have issued with respect to the Invention and which are hereby assigned by the Assignor to the Assignee are the four (4) patents set out in Schedule A attached hereto.
3. The Assignor hereby assigns and transfers to the Assignee all patent applications with respect to the Invention which may be made subsequent to this Assignment, and the right to make such applications,
4. The Assignor hereby transfers and assigns to the Assignee all improvements on the Invention for which rights may hereafter be acquired by the Assignor, in respect of all countries of the world, together with the right of priority acquired by the above filings and the right to file patent applications thereon and take similar proceedings in all and any countries in the world, with or without additional matter, as a Continuations In Part, Patent of Addition, Reissue or similar procedure, and to receive all such patents and similar rights as may issue on such applications.
5. The Assignor hereby transfers and assigns to the Assignee the right to file an application under the Patent Cooperation Treaty for the Invention, and any subsequent national applications following thereon, and to receive such patents as may result from such procedures.
6. The Assignor hereby further agrees to communicate to the Assignee, its successors or assigns any facts as may be acquired respecting any improvements to the Invention, and sign all lawful papers, testify in any legal proceedings at the expense of the Assignee, execute all divisional,

continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid the said Assignee, its successors and assigns, to obtain proper patent protection for the Invention in all countries of the world.
