ASSIGNMENT

THIS AGREEMENT is made on the day of the month of April two thousand eleven.

BETWEEN **Christine Nakas** of 24 rue des Roselières, F-85170 Le Poiré-sur-Vie, France and **Christophe R. Defurne** of 48 rue G. Clémenceau, F-85220 La Chapelle-Hermier, France , (hereinafter called "Assignors" of the first part) and

CNH France S.A., a public limited company duly organized and existing under the laws of France and having a place of business at 16/18 rue des Rochettes, F-91150 Morigny-Champigny, France (hereinafter called "the Company") of the other part.

"WHEREAS the Assignor is/has been in the employ of the Company,

WHEREAS one of the considerations of his/their engagement agreed with the Company by virtue of his/their employment contract(s) is that the Company is entitled to the sole right and interest in and to any invention relative to its products which the Assignor(s) makes during the time of his/their employment,"

and WHEREAS the Assignor(s) claim(s) that he/they is/are the true and first inventor(s) of an Invention made during his/their employ with the Company entitled:

"METHOD FOR ELIMINATING LEAFSTALKS FROM A HARVESTED STREAM",

the application for United States patent describing said Invention, Assignor hereby authorizes and requests any attorney or agent associated with USPTO customer number **25542** to insert here in parentheses (Application number _____, filed _____) the application number and filing date of said application when known. Said application is derived from International Patent Application PCT/EP2009/063161, filed on October 9, 2009 and is claiming Convention Priority based on France patent application number FR 0805628, filed on October 10, 2008.

NOW THIS DEED WITNESSETH that the Assignor hereby assigns to the Company all his/their assignable right, title and interest in and to the Invention and in and to any Letters Patent granted pursuant to any applications that may be filed to protect the Invention and pursuant to any divisional application from said application and in and to any extension of such Letters Patent.

THE Assignor likewise assigns to the Company all his/their assignable right, title and interest in the invention in countries other than the country where the original application has been filed, inclusive of all his/their assignable right to apply for Letters Patent and other like privileges in such countries and inclusive of any right to claim priority under International arrangements now or in the future in force and the whole of his/their right, title and interest in and to any Letters Patent as may be granted in said countries in pursuance of such application or in pursuance of divisional applications therefrom and in and to any extension of such Letters Patent.

THE Assignor will, at the request and expense of the Company, make, do and execute all applications (including divisional applications), specifications and other documents, acts, matters and things as the Company or its assigns or nominees may require for the purpose of applying for Letters Patent and other like privileges in respect of the Invention in any country and for securing the grant of such Letters Patent.

THE Assignor will, at the request and expense of the Company, assign to the Company or to its nominees such Letters Patent and other like privileges granted in pursuance of any of the aforesaid applications or in pursuance of any divisional applications therefrom (or such rights (if any) in the said Letters Patent or like privileges as may remain vested in the Assignor(s) when the said Letters Patent are granted) together with the benefit of all extensions which may be obtained in respect thereof.

THE expression "the Assignor" will be deemed to include his/their personal representatives and the expression "the Company" will be deemed to include the successors in title and assigns of the Company.

IN WITNESS WHEREOF the Assignor(s) has/have hereonto set his/their hand(s) and seal(s) the day and year first above written.
