ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the Receipt of which is hereby acknowledged, I the undersigned, Katherine ROSENBERG-PINEAU, residing at 22 Intervale Road, Wellesley, MA 02481, USA,

HEREBY sell, assign and transfer to SBRE LLC, a Limited Liability Company under the laws of the state of Delaware, having offices at 579 Fifth Avenue, New York, New York 10017, USA; its successors, assigns and legal representatives (hereinafter, the "Assignee"), the entire right, title and interest in and to any and all inventions which are disclosed and claimed, and as possessed by the undersigned, any and all inventions which are disclosed but not claimed in the application for United States Design Patent U.S. Serial No. 29/452,765 filed April 22, 2013 and entitled:

PENDANT

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for U.S. Patent or other related property rights in Canada and Mexico which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related documents in Canada and Mexico which have been or shall be issued on said inventions.

AUTHORIZE and request the United States Patent and Trademark Office to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Patents on said inventions or any of them disclosed in said application;

AGREE that said Assignee may apply for and receive Patent or rights of any other kind for said inventions, or any of them, in Canada and Mexico; and may claim, in applications for said Patent or other rights in Canada and Mexico, the priority of the aforesaid United States patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the under-signed or the undersigned's executors or administrators will, for the United States, Canada and Mexico, execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known and documents available to the undersigned

relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

COVENANT with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
