ASSIGNMENT

WHEREAS, Hervé DINVILLE, a citizen of France and a resident of St-Parres-aux-Tertres, France; Samuel LEQUETTE, a citizen of France and a resident of Toulouse, France; Manuel DELHAYE, a citizen of France and a resident of Avrille, France; Henry François PARENT, a citizen of France and a resident of Angers, France; Alexis FALINE, a citizen of France and a resident of Collonges-au-Mont-D'or, France; Pablo M. LAWNER, a citizen of USA and a resident of Riverside CA, USA; Faissal ZAHRAWI, a citizen of USA and a resident of Celebration FL, USA; and Thomas BIERSTEDT, a citizen of Germany and a resident of Recklinghausen, Germany (collectively the “Assignors”), have invented certain new and useful inventions as described in the following applications for patents entitled “Anchoring Device and System for an Intervertebral Implant, Intervertebral Implant and Implantation Instrument” (the “Inventions”) filed on the indicated dates and assigned the indicated application numbers (collectively the “Applications”):

U.S. Patent Application Serial No. 13/520,041 filed June 29, 2012;
U.S. Patent Application Serial No. 13/538,078 filed June 29, 2012; and
Patent Cooperation Treaty Application No. PCT/IB09/008048 filed December 31, 2009;

WHEREAS, LDR Medical, a corporation of France, having its principal place of business at 4 rue Gustave Eiffel, 10430 Rosières Près Troyes, FRANCE (the “Assignee”), is desirous of acquiring, and Assignors are desirous of assigning to the Assignee, all right, title and interest in and to said Inventions, and patents and patent applications (including the Applications) on said Inventions;

NOW, THEREFORE, Assignors, for good and valuable consideration, the receipt and sufficiency of which they do hereby acknowledge, do hereby SELL, ASSIGN and CONVEY
unto Assignee all right, title and interest throughout the world in and to said Inventions, this assignment including, but not being limited to:

1. Said Inventions, said Applications, and any other patent applications, patents, or like grants or protection on said Inventions made by Assignors or any legal representatives, whether in the United States of America or any other country or place anywhere in the world;

2. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, replacements, and the like of said Applications, and of any other patent applications, patents, or like grants or protection on said Inventions, including without limitation, those obtained or permissible under past, present and future laws or statutes;

3. All rights of action on account of past, present and future misappropriation or unauthorized use of said Inventions in any form, including but not limited to any infringement of any patent that may issue from the Applications or from any other patent applications directed to said Inventions, any other patents or like grants or protection on said Inventions, and any trade secret misappropriation of said Inventions;

4. The right to Assignee to file in its name applications for patents and like grants or protection for said Inventions in the United States and in any country or countries foreign to the United States; and

5. All international rights or priority associated with said Inventions, Said Applications, and any other applications for patents, patents and like grants or protection on said Inventions.

Assignors covenant that Assignors, their heirs, legal representatives, assigns, administrators, and executors, will execute all papers and perform such other acts, with expenses if any to be paid by Assignee, as may be reasonably necessary to give Assignee, its successors
and assigns, the full benefit of this Assignment. This Assignment shall be binding upon and shall inure to the benefit of the successors, assigns and legal representatives of the parties hereto.

ASSIGNMENT

WHEREAS, Hervé DINVILLE, a citizen of France and a resident of St-Parres-aux-Tertres, France; Samuel LEQUETTE, a citizen of France and a resident of Toulouse, France; Manuel DELHAYE, a citizen of France and a resident of Avrille, France; Henry François PARENT, a citizen of France and a resident of Angers, France; Alexis FALINE, a citizen of France and a resident of Collonges-au-Mont-D'or, France; Pablo M. LAWNER, a citizen of USA and a resident of Riverside CA, USA; Faissal ZAHRAWI, a citizen of USA and a resident of Celebration FL, USA; and Thomas BIERSTEDT, a citizen of Germany and a resident of Recklinghausen, Germany (collectively the “Assignors”), have invented certain new and useful inventions as described in the following applications for patents entitled “Anchoring Device and System for an Intervertebral Implant, Intervertebral Implant and Implantation Instrument” (the “Inventions”) filed on the indicated dates and assigned the indicated application numbers (collectively the “Applications”):

U.S. Patent Application Serial No. 13/520,041 filed June 29, 2012;
U.S. Patent Application Serial No. 13/538,078 filed June 29, 2012; and
Patent Cooperation Treaty Application No. PCT/IB09/008048 filed December 31, 2009;

WHEREAS, LDR Medical, a corporation of France, having its principal place of business at 4 rue Gustave Eiffel, 10430 Rosières Près Troyes, FRANCE (the “Assignee”), is desirous of acquiring, and Assignors are desirous of assigning to the Assignee, all right, title and interest in and to said Inventions, and patents and patent applications (including the Applications) on said Inventions;

NOW, THEREFORE, Assignors, for good and valuable consideration, the receipt and sufficiency of which they do hereby acknowledge, do hereby SELL, ASSIGN and CONVEY
unto Assignee all right, title and interest throughout the world in and to said Inventions, this assignment including, but not being limited to:

1. Said Inventions, said Applications, and any other patent applications, patents, or like grants or protection on said Inventions made by Assignors or any legal representatives, whether in the United States of America or any other country or place anywhere in the world;

2. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, replacements, and the like of said Applications, and of any other patent applications, patents, or like grants or protection on said Inventions, including without limitation, those obtained or permissible under past, present and future laws or statutes;

3. All rights of action on account of past, present and future misappropriation or unauthorized use of said Inventions in any form, including but not limited to any infringement of any patent that may issue from the Applications or from any other patent applications directed to said Inventions, any other patents or like grants or protection on said Inventions, and any trade secret misappropriation of said Inventions;

4. The right to Assignee to file in its name applications for patents and like grants or protection for said Inventions in the United States and in any country or countries foreign to the United States; and

5. All international rights or priority associated with said Inventions, Said Applications, and any other applications for patents, patents and like grants or protection on said Inventions.

Assignors covenant that Assignors, their heirs, legal representatives, assigns, administrators, and executors, will execute all papers and perform such other acts, with expenses if any to be paid by Assignee, as may be reasonably necessary to give Assignee, its successors
and assigns, the full benefit of this Assignment. This Assignment shall be binding upon and shall inure to the benefit of the successors, assigns and legal representatives of the parties hereto.
