## ASSIGNMENT

WHEREAS, we, Seth Lederman and Iredell W. Iglebart III, have invented one or more inventions described in an application for Letters Patent of the United States, entitled METHODS AND COMPOSITIONS FOR TREATING GENERALIZED ANXIETY DISORDER, the specification of which:

- is being executed on even date herewith; and is about to be filed in the United States Patent Office;
- was filed on June 16, 2000 as Provisional Application No. 60/211,922;
- was filed on August 11, 2000, as Application No. 09/638,058;
- was patented under U.S. Patent No. 6,358,944 on March 19, 2002.

WHEREAS, JANUS PHARMACEUTICALS, Inc., (hereinafter "ASSIGNEE"), a corporation that was organized and existed under the laws of the DELAWARE and that had principal offices at 12 East 49<sup>th</sup> Street, 35<sup>th</sup> Floor, New York, NY 10017 had the rights to acquire, and may have actually acquired, an interest therein in accordance with agreements duly entered into with us;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer and, confirm our prior sale, assignment and transfer, to the extent, such now exists, unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to said invention(s) as described in said applications and Letters Patent, together with our entire right, title and interest in and to said application and such Letters Patent, and any substitution, reissue, continuation, divisional, revival and foreign counterparts thereof and including the right to claim priority under any applicable statute, treaty or convention based on said application; said invention(s), application and Letters Patent to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent has been granted as fully and entirely as the same would have been held by us had this assignment not been made; we hereby convey, and confirm that conveyance to the extent we have may already made it, all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent, all choses in action pertaining to the applications and Letters Patent including the right to sue for and collect damages and other recoveries for past infringement thereof, all rights to initiate proceedings before government and administrative bodies, and all files, records and other materials arising from the prosecution, exploitation, or defense of rights and registrations pertaining to the applications or Letters Patent. We hereby acknowledge that this assignment, or

confirmatory assignment, being of our entire right, title and interest in and to said invention(s), carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all such Letters Patent to ASSIGNEE for its own name as assignee of the entire right, title and interest therein;

AND, we hereby further agree, or have already agreed, to the extent, such assignment now exists, for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention(s) to said ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of applications for patents in foreign countries, and the execution of substitution, reissue, divisional, continuation or revival applications and preliminary or other statements and the giving of testimony in any interference or other proceeding in which said invention(s) or any application or patent directed thereto may be involved;

AND, we hereby adopt and ratify as our own all actions taken in the prosecution of the above-identified applications and Letters Patent from the time they were filed or issued up until and including the date of this assignment;

AND, we do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as was granted upon said application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives.

As the inventor/s, we each swear as follows:

The above-identified application was made or authorized to be made, and the Letters Patent to be issued, by me. I believe that I am the original inventor or an original joint inventor of a claimed inventions in the applications and Letters Patent.
