## PATENT APPLICATION ASSIGNMENT

---

In return for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the undersigned:

**Joseph V. IERULLI and Edmund A. SINDA**

hereby sell, assign, and transfer to:

**Corbett Lair Inc. and Aso LLC as joint tenants**

a corporation of Oregon having a principal place of business at 4230 S.E. King Road, Unit 272, Milwaukie, Oregon 97222 and a limited liability company of Florida having a principal place of business at 300 Sarasota Center Boulevard, Sarasota, Florida 34240, respectively (“Assignees”), and their successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions and improvements that are disclosed in the application for the United States patent filed on 24 May 2013 and assigned Application No. 29/455,903, which is entitled:

**Design for Nasal Dilator**

and in and to said application and all provisional, design, utility, divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other patent applications that have been or may be filed in the United States and all foreign countries on any of said inventions and improvements; and in and to all original and reissued patents that have been or may be issued in the United States and all foreign countries on said inventions and improvements; and in and to all rights of priority from the filing of said United States applications.

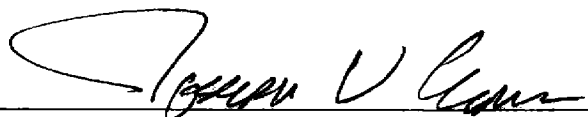

We agree that said Assignees may apply for and receive a patent or patents for said inventions and improvements in their own name; and that, when requested, without charge to, but at the expense of, said Assignees, their successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all provisional, design, utility, divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, power of attorney, and other papers; communicate to said Assignees, their successors, assigns, and legal representatives all facts known to the undersigned relating to said inventions and improvements and the history thereof; and generally assist said

Assignees, their successors, assigns, or legal representatives in securing and maintaining proper patent protection for said inventions and improvements and for vesting title to said inventions and improvements, and all applications for patents and all patents on said improvements; in said Assignees, their successors, assigns, and legal representatives.

We covenant with said Assignees, their successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

We authorize our attorneys to insert the filing date and application number of our patent application into this Assignment before recording it, if that information was not present when we executed this document.
