ASSIGNMENT

In consideration of conveyance of certain Membership Interests in Assignee of even date herewith, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Mark Stebbins (Assignor), a New Hampshire resident, having an address of 117 Bow St., Portsmouth, New Hampshire 03801, hereby assigns and transfers to CoolCore, LLC, a New Hampshire limited liability company with a principal place of business at 1359 Hooksett Road, Hooksett, New Hampshire 03106, ("Assignee"), its successors and assigns, his entire right, title and interest, including all rights of patent and copyright, in all works associated therewith, along with the right to claim priority under the International Convention, throughout the United States, its territories and all foreign countries, in and to the inventions, discoveries, innovations, trade secrets and other intellectual property and proprietary information related to threads and a cloth made therefrom that cools a wearer during warm conditions, as well as to the patents and patent applications therefore and related thereto assigned to us and identified in Exhibit A, and any United States and foreign patents as may issue thereon, and all divisions, reissues and continuations thereof.

Mark Stebbins hereby covenants that he has full right to make such assignment, and agrees for himself and his executors and administrators that he will, at the expense of said CoolCore, LLC execute all applications for patents in the United States and foreign countries, execute all divisional, continuing, reissue and re-examination applications, execute all applications for copyright registration, make all rightful oaths, sign all lawful papers, testify in any proceeding in which said invention or any application or patent directed thereto may be involved, and generally do everything possible to aid said CoolCore, LLC, its successors and assigns, to obtain and enforce proper patent copyright and/or proprietary protection for said invention in the United States, its territories and all foreign countries.

I hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent on said inventions or resulting therefrom to CoolCore, LLC, its successors and assigns.
