ASSIGNMENT

WHEREAS, I, **William Douglas Morgan**, a citizen of the United States of America, residing at 406 Marine St., Richmond, CA 94801, have invented certain inventions and improvements disclosed in a provisional patent application entitled "**Production of Fatty Acid Esters From Glycerin Containing Feedstocks**", filed in the United States Patent and Trademark Office on March 14, 2007 and assigned U.S. Provisional Patent Application No. 60/894,724; and

WHEREAS, **Endicott Biofuels, LLC**, a limited liability company of the State of Delaware having a principal place of business at 900 Prescott Ave., Endicott, NY 13760, is desirous of acquiring an interest in the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I, **William Douglas Morgan**, by these presents do sell, assign, and transfer unto **Endicott Biofuels, LLC**, the full, exclusive, and entire right, title, and interest in and to said provisional application, and in and to all inventions and improvements disclosed and described in said provisional application;

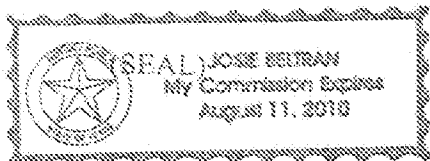

For the same consideration, I, by these presents, do sell, assign, and transfer unto **Endicott Biofuels, LLC** the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said provisional application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Endicott Biofuels, LLC**, or its designee insofar as permitted by applicable law;

AND, for the same consideration, I agree to sign all lawful papers, execute all nonprovisional applications and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Endicott Biofuels, LLC, its successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
