ASSIGNMENT

Case No.: D20234 Ord
Inventor: Ann Dinh Sybeldon

Serial No.: N/A
Filing Date: 4/15/13

In consideration of One Dollar (\$1.00) and other valuable considerations paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns to:

**VISKASE COMPANIES, INC., a Delaware corporation, located at
8205 S. Cass Avenue, Suite 115, Darien, IL 60561,**

its successors, and assigns (collectively, "Viskase"), the entire right, title, and interest in the invention or improvements of the undersigned disclosed in the provisional patent application of the United States, entitled:

Low Moisture Barrier Film

and identified as:

Docket No. D20234 Ord

in the offices of Viskase Companies, Inc., and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and further assigns to Viskase the priority right provided by the International Convention.

The undersigned warrants herself as the owner of the entire right, title, and interest in said invention or improvements and to have the right to make this assignment, and further warrants that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations the undersigned hereby agrees, upon Viskase's request and expense, to execute any and all applications, including divisional, continuation, and substitute applications for said invention or improvements, and any necessary oath, affidavit, or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that Viskase may deem necessary or expedient. For the said considerations the undersigned authorizes Viskase to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper. The undersigned further agrees, upon Viskase's

request, to cooperate to the best of her ability with Viskase in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain, and enforce said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in Viskase, whereby said Letters Patent will be held and enjoyed by Viskase, to the end of the full term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.
