NUNC PRO TUNC PATENT ASSIGNMENT

Assignor, Sparkling Sky International Limited, of Room 907 Dannies House, 20 Luard Road, Wan Chai, Hong Kong, is the owner of the entire right, title and interest and assignee of United States Non-Provisional Patent Application Serial No. 13/561,724 titled MAGNETIC CONNECTOR APPARATUS AND RELATED SYSTEMS AND METHODS, filed on July 30, 2012, in the United States Patent and Trademark Office, and all divisions, continuations and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The Assignee, Larry Dean Hunts, of Room 907 Dannies House, 20 Luard Road, Wan Chai, Hong Kong, desires to secure the entire right, title and interest therein.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR HEREBY ASSIGNS AND TRANSFERS TO THE ASSIGNEE, effective as of July 30, 2012 *nunc pro tunc*:

The entire right, title, and interest in all inventions in the above-identified United States patent application, including the right to sue for past infringement in the above-identified patent application, and the entire right, title, and interest in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on in all inventions in the above-identified patent application in Assignee's name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said inventions to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns and legal representatives.

Assignor hereby agrees, without further consideration and without expense to it, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of it to make this Assignment fully effective, including, by way of example but not of limitation, the following:

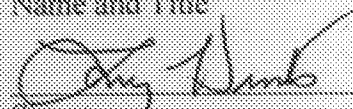

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any such patent applications.

Cooperation to the best of its ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon my heirs and legal representatives.

DATED this 1 day of JUNE, 2013.
