**NOTICE OF GRANT OF SECURITY INTEREST IN PATENT**

NOTICE OF GRANT OF SECURITY INTEREST IN PATENT, dated as of May 23, 2013, by the entity listed on the signature pages hereof ("Grantor"), in favor of CREDIT SUISSE AG, in its capacity as collateral agent pursuant to the Security Agreement referred to below (in such capacity, the "Collateral Agent") (this "Notice").

**W I T N E S S E T H:**

**WHEREAS**, the Grantor is a party to a Second Lien Security Agreement dated as of May 23, 2013 (the "Security Agreement"), in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Notice;

**NOW, THEREFORE**, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Security Agreement, the Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Patent Collateral. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor hereby grants and pledges to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest, in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest:

(a) The Patents of the United States of America of such Grantor, including those listed on Schedule I attached hereto; and

(b) all Proceeds of the foregoing; provided, however, that the foregoing shall not include any asset that the Grantor now has or at any time in the future may acquire the right, title or interest of which is legally or beneficially owned by a person other than the Grantor.

SECTION 3. Security Agreement. The security interest granted pursuant to this Notice is granted with the security interest granted to the Collateral Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Patents made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Notice is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control. Notwithstanding anything in this Notice to the contrary, the Lien and security interest granted to the Collateral Agent pursuant to this Notice and the exercise of any right or remedy by the

Collateral Agent or any other Secured Party hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of the Intercreditor Agreement and this Notice, the terms of the Intercreditor Agreement shall govern and control.

SECTION 4. Termination. Upon the termination of the Security Agreement, the Collateral Agent shall execute, acknowledge, and deliver to the Grantor, at the sole cost and expense of the Grantor, an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Patents under this Notice.

SECTION 5. Counterparts. This Notice may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Notice by signing and delivering one or more counterparts. Delivery of an executed signature page to this Notice by facsimile transmission or electronic transmission (including Adobe pdf file) shall be effective as delivery of a manually signed counterpart of this Notice.

SECTION 6. Applicable Law. THIS NOTICE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

[Signature pages follow]

IN WITNESS WHEREOF, Grantor has caused this Notice to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

KIK CUSTOM PRODUCTS, INC.
