CONFIRMATORY ASSIGNMENT

WHEREAS, I, Cornelis Stinis, (ASSIGNOR), as the sole inventor of certain inventions and improvements described in a patent application having the title:

Method and Device for Detecting Crack Formation in a Hoisting Member

which application was filed in the Netherlands Patent Office on October 16, 2010 and accorded number NL 1038312, and

which application was filed under the Patent Cooperation Treaty on October 17, 2011 and accorded number PCT/NL2011/050709, and

which application was filed under the U.S. Patent and Trademark Office on March 12, 2013 and accorded number 13/822,513, and

WHEREAS, I wish to acknowledge and confirm for recordal and for any and all other purposes, that

Stinis Beheer B.V.
Dorpsstraat 130
2931 AG Krimpen Aan De Lek, Netherlands

(being referred to herein as the "ASSIGNEE") acquired from me and/or was the original, lawful owner of the entire right, title and interest in and to the said applications, inventions and improvements and any related other applications that may disclose and claim any of the said inventions and improvements and/or lawfully claim the filing priority benefit of the said applications (the said applications and such related other applications being referred to herein collectively and severally as the "APPLICATIONS"), and any and all patents that may be granted on or as a result of the APPLICATIONS in the United States of America and in any and all other countries, regions and jurisdictions throughout the world;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged:

I hereby confirm that ASSIGNEE was and is the original, lawful owner of the APPLICATIONS and the said inventions and improvements;

And to the extent, if any, that I have any right, title or interest in or to the APPLICATIONS and/or the said inventions and improvements, I do hereby sell, assign and transfer to ASSIGNEE, its successors, assigns and legal representatives (the ASSIGNEE, its successors, assigns and legal representatives being referred to herein jointly and severally as the "NOMINEES"), for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, the entire right, title and interest in and to the APPLICATIONS and the said inventions and improvements, and any and all patents that may be granted on or as a result of the APPLICATIONS in the United States of America and in any and all other countries, regions and jurisdictions throughout the world, including, without limitation, any and all Letters Patent, petty patents and utility model patents, and also including, without limitation, any and all continuations, continuations-in-part, divisions, reissues, extensions, and renewals thereof (all such patents, etc. being referred to herein collectively and severally as the "LETTERS PATENT");

And I covenant I have not executed and will not execute any agreement or do anything in conflict herewith;

And I further covenant and agree that I will without undue delay and without further consideration execute all such papers as may be necessary or useful to the NOMINEES to perfect its or their title in and to the APPLICATIONS, the said inventions and improvements, and/or the LETTERS PATENT, and I agree to communicate to said NOMINEES all known facts respecting the APPLICATIONS, inventions, improvements, and LETTERS PATENT, to testify in any legal proceedings, to sign all lawful papers, and generally to do all things necessary or useful to aid NOMINEES to obtain and enforce for its or their own benefit patent protection for the said inventions and improvements in any and all countries, all at the expense, however, of the NOMINEES;

And I authorize the NOMINEES to file in our name or its or their own name, as appropriate, applications for LETTERS PATENT in any and all countries of the world, and I authorize and request the Commissioner of Patents and Trademarks of the United States, and any proper official of any country, to issue to said NOMINEES any and all LETTERS PATENT for said inventions and improvements, for their sole use, to the full end of the term for which such LETTERS PATENT may be granted.
