**ASSIGNMENT AND AGREEMENT**

FOR VALUE RECEIVED, I/We, Michael J. PARRELLA, Sr., a citizen of the United States of America, and residing at 40 Kellogg Hill Road, Weston, CT 06883, and Jonathan PARRELLA, a citizen of the United States of America, and residing at 10 Cobblestone Lane, Newtown, Connecticut 06470, and Michael J. PARRELLA, Jr., a citizen of the United States of America, and residing at Oak Hill Drive, Southbury, CT 06488, and Martin A. SHIMKO, a citizen of the United States of America, and residing at 175 Morrill Bend, Quechee, Vermont 05059, hereby sell, assign and transfer to GTherm Inc., a corporation duly organized and existing under the laws of the State of Nevada, and having a principal place of business at 500 Post Road East, Westport, Connecticut 06880, US, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to improvements in an "*Power Tower - System and Method of Using Air Flow Generated by Geothermal Generated Heat to Drive Turbines Generators for the Generation of Electricity*" which is described in a patent application before the World Intellectual Property Organization having International Application Number PCT/US2012/070104, filed on 17 December 2012, claiming benefit of U.S. Provisional Patent Application No. 61/576,700, filed 16 December 2011, and all the rights and privileges under any and all Letters Patent that may be granted therefor.

We request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by: (a) the International Convention for the Protection of Industrial property, as amended, or by convention which may henceforth be substituted for it; and (b) the Patent Cooperation Treaty, as amended, or by any treaty which may henceforth be substituted for it; and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by: (a) the International Convention for the protection

of Industrial Property, as amended, or by any convention which may henceforth be substituted for it;  
and (b) the Patent Cooperation Treaty, as amended, or by any treaty which may henceforth be  
substituted for it.

We covenant with said assignee, its successors and assigns and legal representatives, that the  
rights and property herein conveyed are free and clear of any encumbrance, and that we have full right  
to convey the same as herein expressed.

Signed at Getherm, Inc this 20th day of May in the year 2013.
